Congratulations To Lands Minister

Mayor Nora Arnold sent the following telegram today to Hon. E. T. Kenney, minister of lands and forests and member of the Legislature for Skeena:

"Congratulations on your stand on Skeena Highway upkeep. This road is a vital link in Central British Columbia. Communities are becoming increasingly dependent upon it."

King Must Be Quiet

Active Days Are Over, It is Suggested by Medical Journal

LONDON, (CP)—The King may have to lead a quiet life for the rest of his days, the British Medical Association publication Lancet, said today.

Commenting on the disclosure that the King is suffering from obstruction of arterial circulation in the legs, Lancet says: "The seriousness is all too evident and is the more impressive because, in his life of service, the King has so seldom allowed himself to be deflected from any public task. There is good hope that the acute phase will be followed by a return to normal health although he will possibly have to purchase health at the cost of some more strenuous activities."

FOUR COMPANIES INCORPORATED

Incorporation of four companies, three in Prince Rupert and one at Terrace, is listed in the latest edition of the B. C. Gazette, official provincial publication. They are: A. E. Smith Ltd. Prince Rupert, capitalized at $20.000; Tobey Ventures Ltd., Prince Rupert, capitalized at $45,000; Watson Island Stages, Prince Rupert, capitalized at $100,000; Skeena Sawmills Co. Ltd., capitalized at $25,000, office at the office of E. T. Kenney Ltd., Terrace.

Communist Forces Advancing Again

Bulletins

WAR CRIMINALS HANGED

MUNICH — Fourteen German war criminals were hanged today at Landsberg Prison. The executions brought to eighty-seven the number executed on seven consecutive Fridays for the slaying of concentration camp prisoners and United States prisoners of war.

GAP IS NARROWED

LONDON—On the eve of a Five Power meeting in Paris of the United States-Europe committee of the Western Union to discuss the developing of closer ties betwixt the European countries, there are signs that the gap between British and Franco-Belgian views has been considerably narrowed.

EXECUTION DEFERRED

TOKYO — The execution of Former Premier Tojo of Japan and six associates, condemned to hang for war crimes, was to have taken place tonight but is deferred until next week as some of the condemned were not given the usual notice.

MADAME CHIANG COMING

WASHINGTON—Madame Chiang Kai-Shek is coming to the United States to make a personal appeal for aid for beleaguered Nationalist China.

PLAN NOT ACCEPTABLE

PARIS—Western powers have advised the President of the Argentine that the neutral nations' plan for settlement of the Berlin crisis on the basis of acceptance of Russian control of currency is not acceptable. There must first be a unified government.

BIG RADIO BROADCAST

TORONTO — Biggest radio network ever to carry a Canadian football game will broadcast the Grey Cup clash between Calgary Stampeders and Ottawa Rough Riders Saturday. The broadcast will be carried by the Dominion network of Canadian Broadcasting Corporation starting at 10:30 a.m. Pacific Standard Time.

Reds Take Step Closer To Strategic Suchow; Major Battle Is Due

NANKING (CP)—Communist forces shifted a step closer to the Yangtse River today in the fight around Suhsien and Lingpi. The Reds deployed on the eastern flank of Suchow and suddenly pulled southward.

The new development in the battle for Suchow, gateway to the capital, came as Nationalist forces in the Peiping-Tientsin area got ready for a major battle for that part of North China.

Government sources say they expect a decisive battle shortly.

FISHERMAN IS RESCUED

VANCOUVER (CP)—A Vancouver fish boat skipper whose $10,000 vessel sank in fifty fathoms of water told on arriving here of a harrowing three-and-a-half hours in a lifeboat before being rescued by a United States tuna craft.

Raymond Pearce, owner of the 39-foot June D, said he had "taken to a lifeboat" when his ship struck a reef and sank Tuesday night in Bull Passage, half way between here and Campbell River on the east coast of Vancouver Island.

Pearce drifted hopelessly in choppy waters of the Strait of Georgia before he was picked up by a southbound United States tuna boat, the Bonnie Ann.

YOUNG HUNTER NEAR PERISHED

OLIVER, B.C. (CP) — A near-starved hunter, 17-year-old Leslie Ukos, is in hospital today after having been lost for three days and two nights in the wild Kettle Valley country, 55 miles from here.

Searchers found Ukos lying unconscious in the snow, suffering from exposure and frozen feet.

A fire was built to restore blood circulation and rescuers carried Ukos to the highway by stretcher. Then he was brought to hospital here.

Both East and West Coast Strikes Settled Subject to Approval Vote

SAN FRANCISCO (CP)—Settlement of the United States west and east coast maritime strikes was agreed upon yesterday by the ship owners and union officers. In each case the settlements must be ratified by union membership.

The West Coast strike, involving C.I.O. longshoremen and four other unions, is in its eighty-fifth day.

Settlement was announced Thursday night.

Most important terms of the West Coast agreement include a 15c hourly wage increase effective on resumption of work, a three-year contract to June 15, 1951, and an agreement to operate under a long range peace plan.

The East Coast terms include a 13c wage increase retroactive to August 21, a welfare plan, retention of the traditional "twice a day" work call and extra vacation benefits.

NEW VANCOUVER-ALASKA SERVICE

VANCOUVER (CP)—A new air line service from Vancouver to Anchorage, Alaska, was started Wednesday by the Aviation Corporation of Seattle. It will be a non-scheduled run. Planes will operate only when enough passengers are booked to make trips profitable. The line will have five planes, each capable of carrying twenty-one passengers.

Water Line Bids Called

Bids for building the eight-mile water supply line from Prudhomme Lake to the plant of the Celanese Corporation at Port Edward will close December 1. This work will include construction of wood - stave pipe line, tunnel and dam complete with fish ladders. It is reported that the bidders are: Inspiration Mining & Development Co. Ltd., Toronto; British Columbia Bridge and Dredging Co. Ltd., Vancouver; Thompson Startee Corporation and Merrett Chapman and Scott Corporation, both of New York City.

COUNCIL BUYS MORE GRAVEL FOR STREETS

City council Thursday afternoon approved purchase of 4,500 cubic yards of road gravel from Highway Construction Co. but hedged at buying a quantity of power equipment until the aldermen can decide on its value to the city.

Purchase of the gravel was approved at a cost of $11,000, plus sales tax—another $330—at a special meeting. The gravel will cost $2.50 a yard, as compared with $3.40 a yard for the 10,000-yard contract last summer.

It is now in stockpile near the government grain elevator and may be used for street construction in the Rushbrook Heights district or for general street rebuilding purposes.

Offer of Highway Construction Co. to let the city have a gasoline engine, generator and compressor for $1,550 was discussed by the meeting but referred to another special meeting, scheduled for next Monday afternoon pending decision whether or not the equipment is needed by the city.

"There is no doubt but that it is good value, considering the equipment involved, but we must decide if it is the most suitable for our needs," said Alderman Robert McKay.

Purchase of the gravel brings to almost 15,000 cubic yards the amount bought since last spring for road construction. Amount involved will be more than $40,000.

FARMERS GET READY FOR ROYAL WINTER FAIR—Farmers throughout Canada took part in the Royal Winter Fair which was held this week in Toronto. Agriculturalists exhibited the finest products of their toil at the fair, which ran from November 16 to 24 inclusive. One entrant was Basil's Tillie, a prize Jersey shown with Jean Elliott.

THREE HURT IN SOUTH MISHAP

Three Prince Rupert men were reported injured in a motor accident on Vancouver Island at the week-end. One was rendered unconscious for a considerable period and the other two received lesser injuries. Hurt when their car turned over at a junction near Departure Bay, outside of Nanaimo were Joe Maizo, Robert Morrison and Norman Watt, all of whose addresses were given as Prince Rupert. All three were passengers. Maizo was knocked unconscious. Injuries to Morrison and Watt were not serious.

HERRING RUN IN OGDEN CHANNEL

Nelson Bros. Make Catch of Forty Tons—Much Prospecting Going On

First herring of the season in this district was taken near the outside of Ogden Channel a few days ago by Nelson Bros. Fisheries boats and delivered to the Port Edward plant for processing. It amounted to forty tons.

Following the closing of fishing for herring on the lower and middle east coast of Vancouver Island, seiners have been moving north and considerable prospecting has been going on in this area. However, no substantial run of the fish have been located immediately adjacent to Prince Rupert and it is a little early in any case.

There have been some catches in the Butedale and Bella Bella areas, this fish going to Namu and Butedale plants.

It was reported this week that a substantial run of herring had commenced on the West Coast of Vancouver Island.

THE WEATHER

Synopsis

An intensely cold mass of polar air was situated over the Yukon and Eastern Alaska this morning and temperatures in this area were averaging 30 below zero. Snag, in the Yukon Territory was the coldest spot in this area ,reporting a temperature this morning of 57 below zero. This cold air is at present sweeping across the Gulf of Alaska onto the British Columbia coast, giving frequent snow flurries over most of the province. However another active storm is now entering the Gulf of Alaska and should bring southeast gales and rain to the coast during Saturday.

Forecast

North Coast and Queen Charlottes—Cloudy with occasional snow flurries today, becoming overcast tonight. Light rain beginning Saturday morning, becoming intermittent Saturday evening. Winds westerly (15 m. p.h.) today, decreasing to light this afternoon and increasing to southeast (25 by tonight and to southeast (45) Saturday afternoon. Milder Saturday. Lows tonight and highs Saturday: Port Hardy 36 and 46, Massett and Prince Rupert 34 and 43.

Employment Here Better

Considerable Improvement Over Last Year Although Season Lull is Now On

While 250 persons are registered as seeking employment with only three jobs available, the local Unemployment Insurance Commission office does not regard this as a significant situation but as being quite normal with the closing down of the seasonal fishing industry. The most of those registered are believed to be only temporarily unemployed. The figures cover the district from Smithers to Prince Rupert and the Islands between Ocean Falls and Stewart.

The employment situation in Prince Rupert in 1948 has been and is today considerably better than it was in 1947 ,it was stated at the U.I.C. office. There are more people employed this year and also more unemployed registered, denoting an increase in population.

Logging camps on the Queen Charlotte Islands, it is stated, are not laying off men but are not replacing those who quit.

There is not much new employment in sight for the winter unless new construction work turns up. With the construction of the celanese plant at Port Edward in the spring and the season industries resuming, there should be a considerable filip in employment in the spring ,it is felt.

A recent order for men received here was for fifteen to be used by Byers Construction Co. i nextensive repairs to the airport at Smithers, the men to be dispatched to the job as soon as materials arrive.

COMPROMISE BY UNITED STATES

Is Not Satisfied with Bernadotte Plan For Palestine

PARIS, (CP)—The United States today opposed the British proposal that might take southern Palestine's Negev Desert from Israel. The American delegate, Phillip C. Jessup, submitted a number of amendments to Britain's latest proposal for a solution of the Arab-Palestine dispute.

One amendment would soften Britain's reference to the report of the late Count Folke Bernadotte as a basis for a Palestine settlement and give more weight to the United Nations partition plan of November 29, 1947.

Jessup said the British plan, "without our amendments, is more restrictive than necessary."

Under the Bernadotte plan, the Negev would be taken from the Jews and they would get western Galilee instead.

The original United Nations partition gives the Negev to the Jews and western Galilee to the Arabs.

ASION BEGINS—Calgary Stampeders are invading the East in quest of the Dominion ll title. Les Lear, coach of the team, quarterback Keith Spaith, and club president Tom stopped over in Toronto on their way to Ottawa to scout their opponents in the Otta- amilton game which Ottawa won. This Trans-Canada Airlines photo shows, left to Brook, Stewardess Terry O'Neill, Spaith and Lear at Toronto's Malton airport. The game will be played this Saturday between Stamps and Rough Riders.

Mr. Kenney on Highway

THE CAMPAIGN for better attention and maintenance of the Skeena River Highway between Prince Rupert and Terrace receives substantial encouragement with the statement of Hon. E. T. Kenney, minister of lands and forests, who expresses his own dissatisfaction with the state of the road and announces that he has drawn the matter directly to the attention of the Premier. Much of the road lies within Mr. Kenney's own riding and it is, therefore, a matter of more than passing interest to him. Now he has put himself definitely on record, it is to be hoped some real action shall ensue.

It is heartening to have Mr. Kenney say that the highway should not and cannot be allowed to lapse into a state of impassability which it is quite possible may be the result unless it is maintained in a more effective manner than it has been of late. The least that can be expected is that, if major work cannot be carried out for the time being, the highway should at least be kept in a reasonable state of repair so as to prevent further disintegration .

AID TO BRITAIN

THE BRITISH PEOPLE are undergoing a severe period of trial, as an aftermath of the war in which they manned the first line of defenses against Nazism.

Peace did not bring to the British people the rest and security for which they fought and hoped. Their losses were not confined to the material things. They lost, indeed, a great deal of their personal freedom, surrendered for a time in a period of emergency. They have continued to endure austerity. They are still fighting.

The freedom loving British people need aid, material and spiritual. It has been said of them, sometimes admiringly, sometimes grudgingly, "that they can take it.'" They have taken it, physically and mentally, for nearly a decade.

On high levels the Canadian and American governments have gone to the financial rescue of the British. On a more humble strata individuals may contribute to the comfort and encouragement of their friends and relatives of the Isles through subscriptions to such organizations as the United Emergency Fund for Britain which is headed by philanthropic Canadians who have secured important concessions in transportation and other costs, to stretch the Canadian dollar beyond its normal value in terms of goods.

The combination of spiritual and material assistance will at this time, further the cause of freedom. Aid to Britain is a practical as well as a wholesome and generous form of contribution to the struggle to which the Western peoples are now committed. Prayer and good works have always made a formidable team.

LONDON, (AP)—Eighteen guns were taken from the Imperial War Museum, London, in 1940, to shell German raiders at sea. This story of Britain's desperation for arms after Dunkerque was told in a report of the standing commission on museums and galleries.

KENYA COLONY IS IMPORTANT

Conglomeration of Warriors Now on Way to Civilization

Native population of Equatorial Kenya Colony, once a conglomeration of warring tribes, is now embarked well on the road to a civilized and responsible way of life, Prince Rupert Rotarians were told Thursday by Major W. Yurgensen of the Salvation Army, who spent 16 years in the colony.

The vastly rich area also is scheduled to play an important part in the economic rehabilitation of Britain, due largely to projects on which the British Government will spend $96,000,000, mainly to produce peanuts for fats and oils.

Within the next six years, Major Yurgensen said, the British government is planning to have 107 plantations, of 30,000 acres each, under cultivation.

At present, 4,500 Africans are employed on clearing land and another 3,000 on agricultural work. By 1950 ,the number engaged in land clearing will have risen to 25,000 and those in cultivation to 32,000.

One of the great incidental boons of these projects will be the eradication of the teetse fly which carries sleeping sickness microbes that strike down both men and animals. Elimination of vast areas of thorn bushes which are the home of the teetse fly will add to the health of the country.

Cultural and spiritual progress of the natives has been notable, Major Yurgensen said. This has been done largely by missionaries whose labors have done much to eradicate tribal jealousies and backward superstitions.

Africans are, by nature, courteous and cheerful. They are responsive to sympathy, if not always as logical and industrious as we would like the mto be," said Major Yurgensen. "They are very responsive to the teaching of the Gospel."

With an area of 224,960 square miles, almost three times that of Great Britain, the country has a population of 4,000,000 composed of Africans, Arabs, Indians and Europeans. The Africans dominate in numbers.

The climate ranges from that of equatorial sea level to temperate uplands where growth of a wide range of products is possible.

"There are great areas of pastureland and extensive areas suitable for agricultural development," he said. "There are 1,600 square miles of exploitable forest containing ebony, copal, coniferous trees, camphor, olive, wattle and pencil cedar.

"Grown throughout the country are wheat, rye, oats, barley, corn, sugar, sisal, coffee, tea, flax cotton ground nuts, coconuts, cashew nuts, tobacco, simsim and pyrethrum."

Mineral resources have not been completely exploited, but there is known to be gold, soda ash, salt, silver, limestone, marble and graphite.

"The greatest zoo in the world" was the way Major Yurgensen described the amount of game which is in the country.

Work of the Salvation Army in the colony was recently commended by the Governor of Kenya. The organization maintains a staff of 292 officers, 139 teachers and 137 other employees to operate its 129 schools and other institutions and centres.

Major Yurgensen was thanked warmly by Rotary Club president D. C. Stevenson for his address. Guests at the meeting were D. G. Stenstrom, Vancouver; A. H. Parkes, Prince George, H. G. T. Perry, Prince George; Major G. Warrander, Prince Rupert; A. L. Houghton, Vancouver; and G. S. Reade, Prince Rupert.

NEW PLANT IS OPENED

Canada Packers Receives 500 Visitors—Reception Last Evening

Five hundred persons attended the official opening and inspected the new warehouse branch of the Canada Packers on the local waterfront yesterday afternoon. The formal opening was by Mayor Nora Arnold. T. W. Boles, company sales manager for British Columbia and Alberta with headquarters in Edmonton, presided and other visiting company officials spoke. Refreshments were served and various souvenirs of the occasion presented to the guests.

Mrs. Arnold felt that the plant was one of which the company and city might feel proud. It was significant that the site, which was that of a submarine net repair operation during the war, should now be converted to peaceful pursuit of trade and industry. It was gratifying that the manager, Robert Elkins, should be a local boy who had lived here all his life except for the period he had served in the war. In officially declaring the establishment open, Mrs. Arnold wished the company the best of luck in its undertaking.

In a brief reply, Mr. Elkins presented Mrs. Arnold with a box of handsome flowers on behalf of the company.

Mr. Boles said that the opening of the establishment here was something to which the company had looked forward for at least six years. The need of facilities here had long been realized. If support was to be warranted, service must be given and it was in that spirit that it had been decided to expand here.

Stewart McDougall, general manager from Edmonton, expressed gratification of the cooperation of civic officials and the building trade which had made possible the completion of the project within three months. The high stnadard of the building was symbolic of the community.

C. C. Polkinghorne, general sales manager of the company from Toronto, brought the greetings of the president, J. S. McLean. He described the widespread operations of the company throughout the country and its many and varied branches and plants. It had establishments in at least 115 points in Canada.

Other officials of the company were introduced and messages were read from Halifax, Hull, Fort William, Edmonton, Saint John, Vancouver and Sudbury.

Early last evening there was a reception in the Broadway Cafe when people of the trade and other guests were entertained by the company.

Better English

By D. C. WILLIAMS

1. What is wrong with this sentence? "I hate drinking cold coffee."
2. What is the correct pronunciation of "gibe"?
3. Which one of these words is misspelled? Piteous, pityless, pitiable.
4. What does the word "incredulity" mean?
5. What is a word beginning with ce that means "speed"?

ANSWERS

1. It is better to say, "I dislike drinking cold coffee." 2. Pronounce jib, i as in lie. 3. Pitiless. 4. Unbelief; skepticism. "Of every species of incredulity, religious unbelief is the most irrational."—Buckminster 5. Celerity.

MANY ATTEND CAMBRAI TEA

Fall flowers which decorated the Fifth Avenue home of Mrs. W. F. Stone Thursday afternoon offset the wintry aspect of the day during the tea and sale sponsored by Cambrai Chapter, Imperial Order, Daughters of the Empire. There was a good attendance at the function despite the weather.

Receiving the guests were Mrs. Stone and Mrs. C. G. Ham, Regent of the Chapter. Pourers were Mrs. S. A. Keilback and Mrs. Eric Barton.

Serviteurs were Mrs. J. D. McRae, Mrs. Duncan McRae, Mrs Stokoe and Mrs. Tommy Fraser. In charge of the kitchen were Mrs. Crawford Moore and Mrs. Robert Parker, assisted by Mrs. A. Benson.

In charge of the home cooking table were Mrs. G. G. Withers and Mrs. Moquin, while the apron counter was under charge of Mrs. D. K. Wilson. The raffle was directed by Mrs William Noble, assisted by Miss Vivian Wrathall. Winner of the silverware was Mrs. Robert Dowther. The cake was won by Miss Vivian Wrathall.

KINGSTON - ON - THAMES, Surrey, England, (AP)— Britain's newset power station just opened here will produce one unit of electricity with 1¼ pounds of coal compared with 2¾ pounds required for older plants—equal to a saving of £100 ($400) per hour.

FORMER LOCAL MAN PASSES

Doug Storrings, Pioneer Prince Rupert Boy, Dies in Prince George

Douglas Storrings died suddenly Thursday morning at his home at Prince George. He is the son of Mrs. John Storrings and the late John Storrings, who were pioneer residents of Prince Rupert. Deceased is survived by his wife and mother.

Mr. Storrings had been employed in the capacity of night foreman in the Canadian National Railways roundhouse at Prince George. He had been at Burns Lake before going to Prince George.

NO JOINT PROBLEMS with RECESSED-EDGE STONEBORD

Where two lengths of Stonebord come together, there's a true uniform channel. With a broadknife apply the famous Stonebord joint filler, then a strip of re-enforcing tape as furnished, then smooth off with more filler. The result—a strong, re-enforced invisible joint.

Stonebord comes end-bundled — two sheets taped face-to-face to keep them clean and perfect. Stonebord is smooth, hard and durable, takes any decoration, is vermin proof and fireproof because its core is mineral gypsum.

VUCKOVICH BOWLS HIGH IN MIXED LEAGUE

One of the most satisfying scores this season was bowled this week by B. Vuckovich of the Wingers team in the mixed five pin league when she turned in a total of 797 for three games, built on game scores of 295, 290 and 211. The 295, incidentally, was tops for a single game in the league session.

Aggregate top team score was bowled by Kingpinners who turned in 3,509, one point ahead of Pioneer Laundry, whose handicap, however ,was lerger.

Headpinners hold lead position in the league with 37 points followed by Macey's XXX and Kingpinners each with 34.

Game scores:

Kingpinners 3, Pushovers 0.
Pioneer Laundry 3, Wingers 0.
Headpinners 3, Brownwoods 0.
Dodgers 3, Malkins 0.
Overwaitea 3, Hotshots 0.
Pin Busters 2, B.C. Messenger 1.
Maple Leafs 2, High School 1.
Macey's XXX 2, Silver Streaks 1.
Cloverleafs 2, Bo'ks 1.

Sport Shots

Ottawa Rough Riders, top football team in the East, captured half of the 12 berths on Eastern Canada's all-star squad, it was disclosed with announcement of the 1948 first and second all-Eastern line-ups. Football writters and coaches in eight Eastern cities, who selected the two mythical teams for the Canadian Press, made the first squad a virtual carbon copy of this season's Big Four all-stars. Their only change was to send the Ontario Union's Frankie Filchock in at quarterback for Bob Paffrath.

With the vote weighted to give equal voting strength to each city, the selectors gave first-team status to the other six Rough Riders, four Montreal Alouettes and one Toronto Argonaut previously chosen for the Big Four line-up. Paffrath took the only second-team berth for Rough Riders, however. Of the remaining 11 positions, seven were awarded to intercollegiate Union players, three to Ontario Union performers and one to the Big Four Argos. University of Western Ontario, beaten out for the Intercollegiate title for the first time since 1938, still placed five players on the second team. The champion University of Toronto Blues captured only two positions while Hamilton Tigers took two for the Ontario Union and Toronto Beaches Indians earned one.

First Team—Tony Golab, Riders; Virgil Wagner, Alouettes; Howie Turner, Riders; Joe Krol, Argos; Frank Filchock, Tigers; Don Loney, Riders; Eddie Michaels, Riders; Lloyd Reese, Alouettes; John Wagoner, Riders; Herb Toohey, Alouettes; Bert Haigh, Riders.

Second Team—Don McFarlane, Western; Jack Parry, Western; Jack Harper, Tigers; Bruce Cummings, Varsity; Bob Paffrath, Riders; Doug Turner, Argos; Don McKenzie, Beaches; Bill Jarvie, Western; Fraser Mustard, Varsity; Pat Santucci, Tigers; Fabe Currie, Western; Bill Wardle, Western.

McINTYRE BOWLS "B" LEAGUE TOP INDIVIDUAL SCORE

Stars fell over Rex Bowling Alleys during the ladies "B" league session this week but, in their tumble, they rang up a noted individual scoring total which somewhat compensated for the drop.

The team gave up two games to Boosters but, in the conflict, G. McIntyre of Stars captured individual high scores both in the single and triple game departments. Her highest single game was 267 and her total score for three was 615.

Noble and Wick, Belmonts and Big Sisters each took three games from Busy Bees, Brownwoods and Toilers respectively.

Noble and Wick 3, Busy Bees 0.
Belmonts 3, Brownwoods 0.
Big Sisters 3, Toilers 0.
Miller Bay 2, Rosa Lees 1.
Boosters 2, Stars 1.

"Give Me a Quart of That 'No Freeze' and Never Mind the Chaser"

We sure will, mister! And we are going to "mind" the chaser. Anti-Freeze is just one important phase of getting your car ready for winter. Proper lubrication and attention to the battery are others.

Why not come in for one of our COMPLETE but economical winterizing service jobs and be safe.

Undisputed KING of his Manor

Relaxed, he is ready for an evening of slippered ease . . . content with his four complements to a perfectly restful evening: The big chair, his favorite paper, pipe and rye . . . Harwood's.

Ask him why he chooses Harwood's. His answer is a simple one, without superlatives . . . "I have tried many types of rye whiskies, Harwood's, to my mind, is as near perfection as a good rye can be. For my taste, it is truly, "Canada's Finest."

Harwood's Canadian

Modern Etiquette

By ROBERTA LEE

Q. When living in an apartment building where a doorman opens the door every time one enters or leaves is it necessary to thank him each time?

A. Why not? A courteous "thank you" costs nothing, and most certainly indicates good breeding on your part.

"GOVERNMENT LIQUOR ACT"
(Section 28)
Notice of Application For Consent to Transfer of Beer Licence

NOTICE IS HEREBY GIVEN that on the 27th day of November next, the undersigned intends to apply to the Liquor Control Board for consent to transfer of Beer Licence No. 7821, issued in respect of premises being part of a building known as Caledonia Hotel, situate at Front Street, Port Essington, British Columbia, upon the lands described as Lots 2 and 3, Block 1, Townsite of Port Essington, Map 537, Prince Rupert Land Registration District, in the Province of British Columbia, from Alfred Henry Perkins, Licensee, to Janet Ross Brown, of Port Essington, British Columbia, the transferee.

DATED at Prince Rupert, B.C., this 27th day of October, 1948.

JANET ROSS BROWN,
Applicant and Transferee.

Reminiscences and Reflections

By W.J.

It is suggested that the Cariboo and Fraser roads be made fit for the elite before attention can be given the Skeena Highway further north. The latter can serve the "hardy tourists" (whatever is meant by that) while thoroughfares in the south are being made safe for democracy and culture. The rude fellows on the frontier and their cars which have the hardihood of jeeps can, in the interval, stand a few bumps.

Chlorinating of drinking water cannot be said to be harmful to the consumer, admitting that in certain cases it might be objectionable. In a province like British Columbia, thousands of lakes and streams can hardly be any purer than they are. Cities like Seattle worry along "as is" and while Vancouver once accepted the change when haunted by wartime visions, that city is cheerfully back where she was originally. Victoria has chlorination and there is a reason. The precaution is also in force at Prince Rupert, but some cannot help wondering why.

Trouble, it seems, rarely comes unaccompanied. Safety deposit boxes in Maxville, Ont., were recently plundered and scores lost their life savings. This hurt but it was not all. National Revenue Department agents learned what each victim had lost, took a second look at the income tax returns filed by those whose boxes had been robbed and asked financially embarrassing questions. And now there's a prospect of prosecutions.

Some of Prince Rupert's crows must have been regarding snow for the first time Thursday morning. They hopped nervously, shaking snowflakes from restless wings, and looking in vain for breakfast "pickings." Everything was covered with a soft, cold, strange appearing white thickness that gradually increased in height. Beady eyes had a troubled look. Rain was never like this.

Mrs. George Black, who was in Prince Rupert Wednesday returning to her home in Whitehorse for the winter, has more than once given amusement in the telling of a little story "on herself." A candidate for the riding of Yukon in the federal election, friends wondered if she had not been possibly embarrassed. Perhaps some of her constituents were no gentlemen, they suggested. "But then" chuckled Mrs. Black, "I told them I was no lady."

TRAIN SCHEDULE

For the East—
Monday, Wednesday, Friday, 8:00 p.m.

Moose Women's Committee Meet

Mooseheart committee of the Women of the Moose held a regular meeting at the home of Mrs. Percy Welter, Ambrose Avenue, yesterday. Ten members were present and plans were made to purchase Xmas gifts for eight children at Mooseheart, also a gift for the Sunshine child. A cake was made by the hostess and raffled among the committee members. Delicious refreshments were served. Members present were Mrs. Welter, Mrs. R. B. Skinner, Mrs. O. Tweed, Mrs. B. J. Bacon, Mrs. Jack Hoskins, Mrs. R. Johnson, Mrs. F. De Blais, Mrs. W. T. Terry, Mrs. W. Faught and Mrs. H. Muncey.

Mr. and Mrs. George Ryan sailed last night on the Prince George for a trip to Vancouver and elsewhere in the south.

CHARMING BRIDE WELCOMED HERE

Mr. and Mrs. Alex Mitchell at Home in Honor of Mr. and Mrs. Douglas Frizzell

Mr. and Mrs. Alex Mitchell, Fourth Avenue West, were hosts at an 'At Home' yesterday afternoon so that many friends might call an dextend a welcome to Mrs. Mitchell's brother, Douglas Frizzell, and his charming young bride, the former Miss Beatrice Owazar of Winnipeg. There were numerous callers to extend congratulations and best wishes to Mr. and Mrs. Frizzell who had arrived in the city Wednesday night following an extended honeymoon tour in the United States.

The guests were received in the tastefully decorated rooms by Mrs. Mitchell who introduced the bride.

Presiding at the pouring tables were Mrs. L. W. Kergin and Mrs. S. E. Parker. Serviteurs were Mrs. T. Fraser, Mrs. A. Astoria, Mrs. C. A. Kellett, Mrs. Edward Garner, Mrs. Jack McNulty, Miss Muriel Vance and Miss Sheila Ramsay. Also assisting were T. Fraser, Jack McNulty and E. Garner.

THETFORD, Norfolk, Eng., (CP)—In 25 years as Congregationalist minister here, Rev. Henry Gardner, 90, never preached the same sermon twice.

DUNMOW, Essex, England, (CP)—It's back to school for councillors of this town. After council meetings police give them the same lectures and films on road safety as those given to schoolchildren.

ORPINGTON, Kent, England, (CP)—Concert pianist Dame Myra Hess, giving a recital here, stopped and declared: "This piano is doing its best, but it is like entering a donkey for the Grand National. I hope everyone will club together and buy a new one."

Francois Lake News

William Ablitt and Roy Pierrot came up by truck from Vancouver, bringing a tractor with them. Bill Ablitt purchased the Atkinson farm on the lakeshore and comes up when he can take a week or two from his business. He spent two weeks ploughing with his new tractor.

There were ten present at the Women's Christian Association meeting at Mrs. Neave's at the landing on Saturday afternoon. Miss Preston, matron of the Burns Lake Hospital, gave a reading and talk. After several hymns were sung, accompanied by Mrs. Phil Kelly on the piano, there was a period of Bible study. At the close of the meeting, Mrs. Kelly told the members that she and her family were shortly moving to Vancouver to live. She regretted leaving many friends here. Mrs. Partington and Mrs. Millar were the hostesses, and served refreshments. The next meeting will be at Mrs. Earle Hanke's home at the Landing.

The weather has been mild, with snow thawing off the roofs night and day. After a fall of seven inches of snow, the snow plows have been working the roads.

Several of the young people went to the dance at Decker Lake on Saturday evening and report having had a good time.

The road has been altered at Hickeye, going right across the flat to leave room for the assembling of the new ferry on the lake shore.

A. N. Wilson, district representative of the National Film Board, Prince George, visited here on Thursday, arranging about the showing of films here. He is planning a self-operating scheme so that a few can learn how to operate the projecter and can show the films as they are sent here.

Mrs. Holtz has been in the hospital for a week with threatened pneumonia. She is home again.

The Hamre and Waale Sawmills have moved across the lake from Cowans at Clemretta.

HOW CAN I ? ? ?

By ANNE ASHLEY

Q. How can I make black putty?

A. Mix whiting and antimony sulphide (the latter finely powdered) with soluble glass. It is claimed that after hardening, this putty can be polished with a burnishing agate.

Q. How can I remove rust from steel?

A. Rub with linseed oil and allow it to soak for several days. Wipe off, then polish with powdered, unslacked lime until the rust is loosened.

Q. How can I retain the flavor of spices?

A. Always keep spices in tightly-closed cans or boxes ,as they will quickly lose their flavors if left in open receptacles.

STEWART NEWS

Latest from Portland Canal Mining Centre

STEWART LEGION WHIST, BRIDGE

STEWART — The Setwart Branch of the Canadian Legion held a very successful whist and bridge drive on Saturday in their club rooms. Prize winners in the whist were: ladies, Mrs. R. Sharp and Mrs. L. A. Behnsen; men, R. Sharp and John Gibson. In the bridge section, Mrs. G. A. Anderson won the ladies' prize and W. J. Crawford captured the men's. Mrs. F. H. Lewis won the consolation prize.

LOCAL DOCTORS TO TRAVEL NORTH

Will Make Trip on Steamer Every Two Weeks—No Mail Improvement

STEWART— The efforts of the Village Commissioners and Stewart Board of Trade towards getting some sort of medical service have been rewarded. The deputy provincial secretary has notified that arrangements have been made to have a doc- to come from Prince Rupert and take care of any patients during the stay of Union steamer in port. This will relieve, to a certain extent, the anxiety of parents whose children may require medical attention.

So far as getting a weekly mail service, this so far, seems to be impossible. No encouragenment has been given by the Postmaster-General or the Steamship Company so that, it would appear Stewart will have to await patiently the reopening of the Silbak Premier Mine which, with the price of base metals, should not be long delayed.

INITIATION AND ENTERTAINMENT

STEWART— Last Thursday night the Library Committee Women of the Moose held a well attended initiation followed by an acceptable entertainment in charge of Mrs. H. Gibson, with Betty Walker and Mavis Smithson winning first and second prizes. Mrs. W. R. Tooth won the special gift of the evening. Following entertainment excellent refreshments were served with Mrs. Manejlevich presiding over the birthday cake.

TENDERS

SEALED TENDERS addressed to the undersigned and marked "Tender for Buoy Tender for Prince Rupert," will be received from Canadian Pacific Coast Shipbuilders, up to 12 o'clock Noon, Friday, December 31, 1948 for the Construction of a Lighthouse Supply and Buoy Tender Vessel for Prince Rupert, B. C.—Length Overall 150', Breadth 30', Depth 13'6".

Plans, specifications, labour conditions and form of tender in the matter may be obtained by bonafide shipbuilders on the Canadian Pacific Coast, capable of carrying out the work on application to the Agent, Department of Transport, 1002 Wharf St., Victoria, B. C.

Each tender must be accompanied by a security deposit to the amount of 5% of the total amount of the tender, such security to be in the form of a certified cheque on a chartered Canadian bank, made payable to the order of the Receiver General of Canada, and/or Dominion of Canada Bonds, at par, and/or Bonds of the Canadian National Railway Company or its subsidiary companies unconditionally guaranteed by the Dominion of Canada, at par. Such security will be forfeited in the event of the tenderer refusing to enter into a contract on the basis of his tender, if called upon to do so, or failing to satisfactorily complete such a contract. Security deposits of unsuccessful tenderers will be returned.

Any tender not accompanied by a security deposit as described will not be considered.

The Department does not bind itself to accept the lowest or any tender.

F. T. COLLINS,
Secretary.
Department of Transport,
Ottawa, November 18, 1948

The Chimes of Westminste

Here are the words of the tune played quarter hour on our Westminster chime clock

"All through this hour
Lord be my guide
And through thy power
No foot shall slide."

Part of the tune is played each quarter h and the whole tune at the end of the hour then the clock strikes the hour.

The clocks are beautifully cased in real w nut and run about fourteen days with one windi

The price is $55.00 plus tax and it is the s price as the clock is sold at in the east and we the freight all the way to B.C.

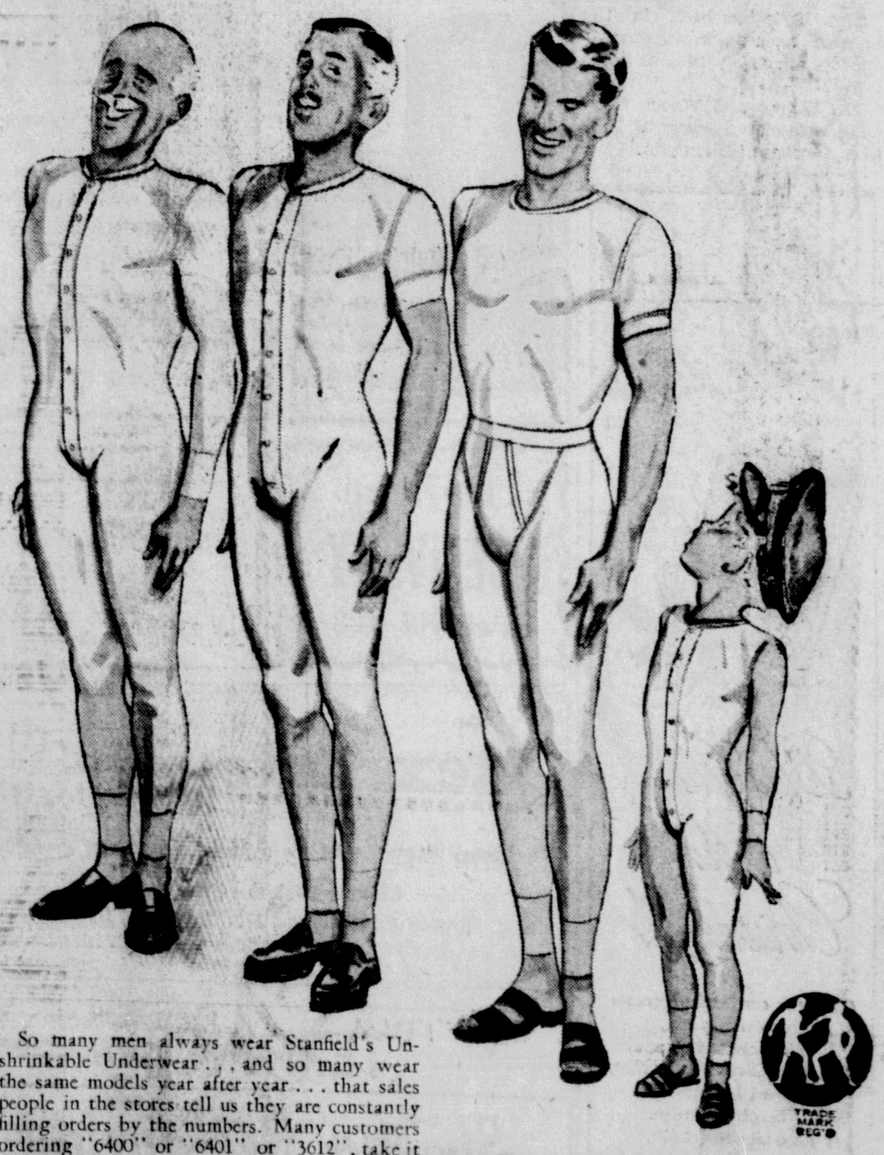
"From the right, NUMBER!"



So many men always wear Stanfield's Unshrinkable Underwear . . . and so many wear the same models year after year . . . that sales people in the stores tell us they are constantly filling orders by the numbers. Many customers ordering "6400" or "6401" or "3612", take it for granted the clerk not only knows the Stanfield numbers but knows they would wear no other brand.

Stanfield's is the Underwear famous for more than 60 years for being *soft, warm* and durable . . . made unshrinkable by Stanfield's own exclusive process. In a complete range of combination and separate shirts-and-drawers styles, in a variety of weights.

STANFIELD'S Unshrinkable UNDERWEAR
