PATTULLO ELECTED MAYOR BY LARGE MAJORITY

LARGEST VOTE EVER POLLED IN MUNICIPAL ELECTION IN THE CITY OF PRINCE RUPERT

CANDIDATES ADDRESSED ELECTORS LAST NIGHT

SUCCESSFUL ONES EXPRESSED THANKS TO THOSE WHO SUPPORTED THEM AND DEFEATED CANDIDATES EXTEND FELICITATIONS—MAYOR-ELECT WISHES TO GET DOWN TO HARMONIOUS WORK AT ONCE.

Although the hour was getting late, by the time the election returns were forthcoming, last evening a public meeting was hurriedly arranged for at the Westholme Opera House to hear the elected candidates, as well as to give the unsuccessful ones an opportunity to thank their supporters. The house was packed and a particularly beatific atmosphere prevailed. A large number of ladies were present, giving the affair quite a picturesque and gala appearance. Fred Stork, Prince Rupert's first mayor, who occupied the chair, was in his very best form, proving himself to be the right man in the right place upon such an occasion, with congratulations upon the success of the campaign and words of cheer and advice as to the future. Mayor Newton, who had been invited to the platform, was, unfortunately, unable to accept on account of illness, he having been exceedingly unwell all day and not fit to turn out at night.

Mr. Stork said that a splendid day had been brought to a close by the election of Mr. Pattullo as mayor, with a first class council to support him. As far as he was concerned after the battle was over and the smoke had blown away, he believed in burying the past and letting bygones be bygones and all work together for the advancement of their common interests and the general good. The Mayor-elect, Mr. T. D. Pattullo, was given a great ovation upon coming forward to address the electors. He thanked them for the confidence reposed in him. He reaffirmed his pre-election promise, that the 1913 council should be absolutely non-partisan. While he had hoped to see more of the men supporting him returned, yet he felt that he had in the body of men elected a council that would unquestionably all work together in the best interests of the city. He thanked the two newspapers, the Journal

and The Daily News, for supporting him, and also the many individual workers who had so ardently placed their services at his disposal.

Mr. M. P. McCaffery, who headed the poll in Ward 1, was given a rousing reception, and remarked that his great success must have been due to the famous maiden speech he had delivered upon his debut at the Westholme Theatre about a week ago. He thanked the electors most sincerely, his only regret being that his good friend, G. W. Nickerson, had been unsuccessful in being returned.

Alderman Dybhavn, leader of the successful candidates in Ward 2, upon being called upon by Chairman Stork, came forward most modestly and expressed his appreciation of the confidence of the electors in returning him again in such an enviable position as indicating their satisfaction of his past efforts on their behalf. As an independent candidate he was ready to work with whoever was elected the chief executive, concluding by offering his congratulations to Mr. Pattullo.

Alderman - elect Sutherland thanked his supporters most sincerely, reiterating his pre-election promises to do his utmost to help in conducting the affairs of the city in a businesslike and progressive fashion.

G. R. Naden smilingly referred to his great strength amongst the ladies, saying he would in the future always open a campaign by throwing himself unreservedly upon their mercies and he would be sure of election. He congratulated them upon their choice of Mr. Pattullo as mayor.

Alderman Maitland, who was received with great applause, bowed gracefully to the audience, thanking them for the honors again thrust upon him. His only regret was his old friend and col-

NAVAL QUESTION MAY FORCE DISSOLUTION

No Liberal Caucus for a Few Months Yet—Will Sound Feeling of Country

(Special to Daily News.) Ottawa, Jan. 16.—It was reported today at the Liberal headquarters that there will be no caucus on the naval question for a few weeks. Their plan, it is said, is to allow the discussion to go on in the ordinary course and it is figured the debate will last for at least a month. In the meantime the country will be sounded with a view of ascertaining the feelings of the people. If there is sufficient encouragement the Liberals will continue to fight the bill with the idea of precipitating dissolution.

MARINE DEPOT DISCUSSED IN HOUSE OF COMMONS

CONTRACTOR HAS ALREADY RECEIVED \$10,265 IN EXCESS OF CONTRACT PRICE—DEBATE ON NAVAL QUESTION RESUMED.

(Special to Daily News.) Ottawa, Jan. 16.—Among the more important items before the House of Commons today were the resumption of the debate on the naval question by Dr. Edwards (Frontenac), who spoke strongly in favor of the bill. J. H. Burnham, M. P. (Peterboro), introduced his bill for the abolition of titles in Canada.

W. F. MacLean (South York) spoke strongly in favor of making the Supreme Court of Canada the highest court for the interpretation of legislation concerning Canada and Canadians. In his opinion it would strengthen the Supreme Court to make it the last word in the interpretation of

legislation. Many members supported the proposal.

During the questions, Sir Wilfrid Laurier was informed that the contract for the marine depot at Prince Rupert was \$149,000. The contractor had made demand for extras and up to the present time had received \$10,265 in excess of contract price.

Defeats Mayor Newton by a Majority of 122 ---Total Vote Polled Was 888---Prince Rupert May Now Expect an Era of Progress and Prosperity

In the comparatively short history of the City of Prince Rupert there has never been a civic election the outcome of which was of more importance to the city than that which was held yesterday, resulting in the election of T. D. Pattullo as mayor for 1913, supported by eight aldermen who will no doubt work harmoniously with him. Mr. Pattullo was elected by the substantial majority of 122, the vote

being 505 for Pattullo and 383 for Newton.

Of the old council four members were re-elected—John Dybhavn, L. Bullock-Webster, George W. Kerr and Thomas Maitland. Those who went down to defeat, besides the Mayor, were H. Douglas, D. W. Morrissey and W. H. Montgomery. Dr. Clayton was the only member of the old council who was not a candidate for re-election.

In Ward 1 M. P. McCaffery headed the poll with 206 votes. Alderman Dybhavn was at the head in Ward 2 with a vote of 306.

Of the six candidates for school trustees, the following were elected: J. A. Kirkpatrick, O. H. Nelson and J. H. Thompson. The first named headed the poll with 457 votes.

T. D. Pattullo.

T. D. Pattullo, mayor-elect of the City of Prince Rupert, was born in the City of Woodstock, Province of Ontario. Previous to coming to Western Canada in 1897 as secretary to Major Walsh, first commissioner of the Yukon, Mr. Pattullo was editor of the Galt Reformer. He was subsequently appointed assistant gold commissioner at Dawson, from which appointment he resigned to enter into business for himself at Dawson. This business is still maintained, being in charge of his partner, Mr. W. G. Radford.

During his residence in Dawson, Mr. Pattullo always took an active interest in politics and was alderman for Dawson for one year. Mr. Pattullo first came to Prince Rupert four years ago, since which he has been one of its greatest boomers. There is
