Miss W. K. Wilson Married At Nelson

Daughter of Mr. and Mrs. Robert Wilson of Prince Rupert Bride Of E. C. Brown of North Bend

NELSON, Sept. 21.—A quiet but impressive wedding ceremony was solemnized in St. Saviour's Pro-Cathedral when Rev. J. G. Holmes united in marriage Wilma Katherine, eldest daughter of Mr. and Mrs. Robert Wilson of Prince Rupert to Ernest Cuthbert, only son of Mr. and Mrs. R. E. Brown of North Bend, B. C. Their attendants were Mr. and Mrs. Reginald H. Dill whom acted as best man and matron of honor respectively. Wedding music was played by Miss Margaret Graham. The altar was beautifully decorated with gladioli in tones of pink.

The bride, who was given in marriage by Darrell Varner, looked charming in her wedding dress of triple white, gold stencil crepe in floor-length, bolero style, and white halo with veil. Her bouquet was a shower of Talisman roses and lily of the valley.

Mrs. Dill wore a parma violet sugar chiffon gown, Empire style, Victorian mohair poque bonnet and carried a bouquet of Johanna Hill roses and fern.

The bride's mother, Mrs. Wilson, was gowned in black chiffon velvet with gold brocaded dolman sleeves and a veiled black tricorn hat. Her corsage was of butterfly roses and fern. The groom's mother Mrs. Brown, wore a gown of printed silk in tones of blue and rose with a smart blue hat to match. Her corsage was butterfly roses and fern. Following the service a reception was held at the home "Valhalla"—on the north shore—of Mr. and Mrs. R. G. Dill. Mr. and Mrs. Brown then left on their honeymoon to Spokane. On their return they will reside in the Kerr Apartments. For travelling Mrs. Brown wore a most becoming tailored suit of sheppard's plaid with vintage wine accessories.

MANY GOOD SHOWINGS

Visiting Mining Man Comments On Lack of Development In District—Rates Are Handicap

"There are so many good surface showings, it is a wonder to me more development has not been done," remarks J. E. Barber, field man for Thunderbird Mines Ltd. of Nelson, who arrived in the city on last night's train to consult with Dr. Joseph T. Mandy, resident mining engineer, after having been for the past couple of weeks or so in the Dorreen, Usk and Terrace areas.

Freight and treatment charges on ore are, doubtless, mitigating against small mining operations in the interior, comments Mr Barber. It now costs $15 a ton to ship ore to Tacoma and it is worse to Trail. He believes that a smelter in this district would be a great advantage
