THE BEAUTY OF SUNLIGHT

is that every garment washed with it bears the impress of purity; a purity begotten of sweet, cleansing oils, and maintained by absolute cleanliness in manufacture; a purity exalted by the co-operation of workers united for the purpose; a purity demonstrated by the "$5,000 guarantee" which rests upon every bar of SUNLIGHT SOAP.

A substitute for Sunlight is not as good and never can be. Insist upon the genuine—Sunlight Soap.

The name Lever on Soap is a guarantee of Purity and Excellence.

ISLANDS NOTES

Dr. E. H. Holden arrived at Massett a short time ago and is in charge of the Massett hospital. He served with the British forces in Mesopotamia and on the western front.

Rev. A. E. Price succeeds Rev. W. Carey, as Anglican Missionary on the Queen Charlotte Islands. Rev. Carey is now at Houston, on the line of the G. T. P.

Mr. and Mrs. Carter, who resided on Queen Charlotte Islands for some years, left for Rivers Inlet on the last steamer. Mr. Carter is occupying a position in the fisheries service.

C. M. Wilson, formerly of Delkatla, is now a resident of Chicago, where he is engaged in a very interesting lawsuit over property. Mr. Wilson was one of the first residents of Prince Rupert, and is well known to many old timers.

Arthur Robertson, J. M. Campbell, E. Wearmouth, T. L. Williams, and other enlisted men, now at the front, are corresponding with their friends on the Islands. O. W. M. Hughes has joined the Seaforth Highlanders. C. M. Adam and H. Smyth are attending the military school at Vancouver. Three of the Massett Indians are with the 107th overseas battalion. A number of the first contingent, from Massett Inlet, including Alan Jessup, Major Jenkins, E. Wearmouth, A. Mayer, J. Metcalf and others were in the casualty lists. Forty former residents of Massett Inlet are at the front, or in camp in England.

SHIPMASTERS THANK MAYOR M'CAFFERY

At a well attended meeting of the Prince Rupert branch of the Vancouver Shipmasters' and Officers' Association, held in the association rooms on Friday evening, the following officers for the year were elected: Hon. President, Captain E. McCoskrie: Hon. Vice-President, Captain E. Gilmour; President, Capt. J. Mulligan; Vice-Pres., Capt. D. Candow; Secy.-Treas., Capt. J. McGee; Executive, Captains J. Erickson, H. Provost, C. Tikkas, E. Evendsen and J. Batt.

Amongst the various matters discussed at the meeting, and one which gave great satisfaction to all, was the fact that the Emerson Company has decided to erect both a sawmill and a shingle mill on the shores of Tuck's Inlet. This, it was felt, would be a benefit to the certified nautical profession resident in Prince Rupert.

The secretary was instructed to write to Mayor McCaffery and thank him for what he had done for the port and city of Prince Rupert during the year and the several members of his council who had assisted him in the same. During the year nine new members had been enrolled and one member had his name transferred from the head office of the association to Prince Rupert. The meeting closed with a vote of thanks to the secretary for the able manner in which he attended to the interests of the members and for the sound condition in which the association finds itself at the present time.

SLIGHT FIRE

The fire brigade was called out yesterday afternoon to the Norfolk Rooms where a mattress and some bedding had caught fire. The men threw the burning material out of the window and the trouble was soon over.

ATTENTION RATEPAYERS!

A bylaw to maintain a reserve to ensure prompt payment of instalments on our debenture debt is to be voted on by you on the 11th January.

We submit the following reasons in favor of said bylaw:—

(1) The reserve fund has already been established this year, and has in practice been shown a great success.

(2) There always has been, and always will be, a shortage in collection of special rates for local improvement and other bylaws, which shortage has heretofore been made good from general revenue, but to do this the City has often been required to borrow from the bank, and always to place in the yearly estimates a sum to meet this shortage. With the reserve established we will neither have to borrow nor estimate.

(3) Instead of borrowing from the bank at six (6) per cent our reserve will receive the benefit of delinquent interest, and will pay to general fund six (6) per cent per annum on the whole amount of such reserve, and this will in fact reduce taxation to the extent of nearly Four Thousand Dollars ($4,000.00).

(4) The scheme has been heartily endorsed by Sir Frederick Williams-Taylor, General-Manager of the Bank of Montreal, also by the largest bond houses in Canada, as well as the Bond Dealers' Association of Canada.

(5) We believe that the establishment of this reserve will materially increase the selling price of any bonds we may hereafter issue, and will have a far-reaching effect in the general financing of the City in the future.

(6) The City Treasurer will be happy to show to any ratepayer detailed reports and full explanation of the whole matter, and also the letters of commendation received.

(7) Clearly remember not one dollar of this reserve will be raised by extra taxation.

E. D. JOHNSON, City Treasurer.
FRED PETERS, City Solicitor.
