STRAWS INDICATE TREND

According to Walter Winchell, the commander and crew of a British warship attended a performance at the Aquacade show at the world's fair in New York. They were placed in a group right to the front and, when the finale of the show arrived, the girls trooped to the front and a giant sized American flag was spread behind them. At that the Britishers rose with right hands to their temples in salute. As they did so the orchestra leader, instead of playing "The Sar Spangled Banner" struck up "God Save the King" and the whole audience of eleven thousand persons sang heartily the first verse of the British National anthem. It was a stirring gesture of good feeling on both sides.

INCIDENTS AND COUPS

We are now so used to incidents and coups that nothing but real war will start us out of our complacency. There seems to be something every day to fray our nerves or irritate us with the result that we have become inured and careless. Eventually nothing will worry us any more and even war will be taken as a matter of course.

Some people feel confident there must be war soon and others think it will never come. At any rate it is good to know that the Empire is in a position to resist. Even here near Prince Rupert we have an air base practically completed at Aliford Bay and we are told that, just as soon as it is finished, activities will be transferred to Seal Cove. At the entrance of the harbor guns could quickly be mounted and we should be better off from a defence point of view than ever we have been in the past.

TO PEOPLE WITH GARDENS

People with gardens are asked to co-operate again this year in making the annual flower show a success. It will be held the middle of next week and those who have flowers are asked to exhibit them and those who do not have flowers to exhibit are asked to make the show their headquarters on flower show day. This is one of the events which helps to interest people in gardening and, if the gardeners attend, they get inspiration themselves and help others. A great feature of gardening is that it tends to bring about a fellowship of those who have the same common interest.

PR. RUPERT WINS GAME

Prince Rupert defeated Hazelton Natives by a score of 17 to 7 in a free-hitting, loose fielding Sunday afternoon baseball game. Weather was warm and bright and the crowd was big and good-natured. It wasn't much of a baseball exhibition but gave the locals nine innings of practice for the forthcoming Labor Day excursion to Ketchikan. Features included a couple of circuit trips for Prince Rupert owing to slippery gloves and long grass in the Hazelton outfield. There was also a double play by Prince Rupert, Lindsay to Howe to Morgan, in the fourth inning.

There were thirty hits in the game. The visitors touched Jack Lindsay for twelve. At the start it appeared that the Hazeltonians were going to bat Jack all around the park, for he gave them nine safeties in the opening three stanzas, thereupon tightening up and yielding only three in the last six. The locals garnered eighteen hits, fourteen off Chris Harris in six innings and three off Sam Pierre in two.

The circuit riders were Walter Johnson who made the round trip owing to the left fielder dropping the ball in the third inning. Beynon made the circuit in the fourth when the left fielder fumbled again and lost the ball in the long grass.

Prince Rupert's big inning was the third when the locals collected six runs on four hits, two errors and a walk.

Sonny Beynon was the star hitter for Prince Rupert. First time up he fanned but later connected with a three bagger and a couple of singles, finishing up by fanning again.

Andre Letourneau and Billy Roma were umpires and line-ups were:

Hazelton—Arthur Mowatt, cf and c.; Tommy Moore, c. and 3b.; Eddie Patsey, ss; Bill Blackstock, 1b.; Phil Turner, 3b. and cf.; Johnny Moore, 2b.; David Alex lf; Jeff Harris, rf.; Chris Harris, p; Sam Pierre, p. (seventh and eighth innings).

Pince Rupert—Al Simonsen cf.; Walter Johnson, ss.; Jack Lindsay, p.; Benny Windle 3b.; George Howe, 2b.; Herb Morgan, 1b.; Dido Gurvich, c.; Sonny Beynon, lf.; Ed. Schroeder, rf. first three innings); Jack Campbell, rf. (six innings).

The score by innings:

	1	2	3	4	5	6	7	8	9	T
Hazelton	2	2	2	0	0	0	1	0	0	7
Prince Rupert	3	0	6	1	0	1	2	4	x	17

ANNIE J. IS WINNER

Another Model Yacht Race on Saturday Afternoon

The third race in the six-race series of the Prince Rupert Model Yacht Club was sailed on Saturday last and resulted in a win for S. Hingston's boat "Annie J" with Iain MacRae's boat "Sheila" second and A. J. Croxford's "Tyee" third.

There was a good breeze at the start and, at the first buoy, five boats were grouped. "Sheila" rounded it first, just beating out Hingston's "Annie J." At the second buoy positions were reversed with the "Annie J." leading. On this leg Malcolm Lamb's "Ivanhoe" made up a lot of lost ground, overhauling the other boats rapidly. Carl Glazle's "Rupertia" also made up a great deal of lost ground and at this point it was anybody's race. Then the wind dropped and the last leg was a drifting drag. Finally "Annie J" crossed the line followed by the "Sheila," the "Tyee" and the "Saucy Lass." The other boats were outside the time limit of two hours.

To date the total races give the boats the following points so that A. J. Croxford is leading by two points over S. Hingston who leads Gawthorn's "Invader" by two points.

	1	2	3	Tot.
"Tyee"	5	7	5	17
"Annie J."	7	1	7	15
"Invader"	6	6	1	13
"Saucy Lass"	3	5	4	12
"Sheila"	4	1	6	11
"Ivanhoe"	2	4	1	7
"Rupertia"	1	1	1	3

PLAYING CRICKET

West Indies Leading Great Britain In Test Match

LONDON, August 21:—The second day's play in the cricket test match at the Oval, London, between the English eleven and the West Indies found the West leading by forty-three runs with four wickets of the first innings in hand.

In the first innings the English eleven were all out for 352 runs with Hardstaff, the leading scorer with ninety-four runs. The West Indies lost a wicket early but then Headley, with fifty-five runs, and Weekes, who was not out until he reached one hundred and thirty-seven, gave the side a fine chance to lead England. Stollmeyer just missed, his century being out when he had scored ninety-six. Sealey seventeen (not out) and Constantine 1 (not out) then played out time. Play was interrupted for a short time by a heavy thunderstorm but, after a delay, the West Indies continued batting.

The game is a four day match so that there is every prospect of an exciting finish.
