"SPELL IT BACKWARDS!"

"And you get the word **MILK**", points out Elsie, the Borden Cow. "And that's just what **KLIM** is—pure, fresh, whole milk with all the cream left in, powdered by removing the natural moisture content. Simply add Klim to cold water—whisk with a beater—and you have an instant supply of creamy pasteurized whole milk. I can't recommend anything better for baby, home or camp."
