STRIKE IN PERU

Railway Employees Demand Increase of Thirty Per Cent. in Wages

Lima, Peru, Jan. 18.—The labor situation here is regarded as serious. The employees of the Central Railway, of the Guadalupe Iron Foundry and of the Mines Flour Mill, have gone on strike.

It is thought that the Peruvian corporation will agree to a ten per cent. increase but not to an 8-hour day.

CASTRO MUST STAY OUT

Not Allowed to Enter United States Until Board Renders Decision.

New York, Jan. 17.—Judge Holt today dismissed the writ of habeas corpus obtained by Cipriano Castro, the former president of Venezuela, who is being held at Ellis Island pending the decision of the board of enquiry as to whether he shall be allowed to enter the United States.

In dismissing the writ, Judge Holt ruled that Castro should not be allowed to enter the country under bond pending the decision of the board. He therefore will remain on Ellis Island.

This sustains the contention of the government, as argued in court yesterday by United States District Attorney Wise, that the Federal courts should not interfere in the case until the board of enquiry shall have passed on Castro's right to enter this country.

Mr. Pounds, the retired grocer, was proud of his new country estate. He spared no expense in doing things well.

But the farmer who owned the next land was not so pleased. In fact, he disliked rooks.

So he gave his sons orders to shoot the offending birds.

Along came Mr. Pounds, enraged. "See here, my man," he said, fiercely, "I wish those lads of yours would let my birds alone."

"That be all right, sir," replied the sturdy son of the soil. "But I wish your rooks would let my crops alone. I be trying to make a living."—London Answers.
