## Hawks move ahead in series with Habs.

Wrestling is not for people wishing to see athletic skill. It is for those who would like a night of enjoyable entertainment at a fair price. Friday night's first bout be-

tween Dano McDonald and Joe Brunetti ended in a draw. The two wrestlers threw each other around the ring, tied up [ referce Dido Gurvich several times and cracked quips with

the hecklers in the crowd. To be effective, wrestling must have a villain and a hero in every match.

McDonald, weighing 226 pounds, played the part of the villain perfectly and the crowd loved it. Whenever he was getting the worst of it, the crowd cheered. But when Brunetti, also 226 pounds, was taking the punishment, the crowd booed.

The second bout featured Joe's brother Guy, 232 pounds vs Bob "the Viking" Morse, 230 pounds. During introductions, Morse fortunate in having "the Viking" wrestle in Prince Rupert. He added that he demanded abso-
