ARMY AND NAVY OFFICERS IN REMARKABLE CONSPIRACY

PLOT TO SEIZE SLICE OF BRAZILIAN TERRITORY AND ESTABLISH UTOPIAN REPUBLIC.

London, Jan. 18.—One of the most amazing state plots in modern history is now being engineered in London, and has for some time been receiving the interested and constant attention of the foreign office and the Brazilian legation. It is a plot to seize and colonize a vast and practically unknown territory, 150,000 square miles in extent, to the extreme northeast of Brazil, known as Cunani. Plans are being laid by the remarkable filibustering venture to induce a large number of British naval and military officers as well as a number of non-commissioned officers and men to be recruited by them to go out on a fleet of armored ships, which is to be provided, seize the Brazilian territory, drive out such Brazilian troops as may be found there and colonize the country as an Utopian republic.

The leader in the venture is a Frenchman named Adolphe Brezet, who for years has been living with his wife and three children in a suburb of London. Brezet has already induced a large

number of young men to take commissions in the army and posts in the civil service of this so-called free state of Cunani. His secretary of state for foreign affairs is an American, who manages several small businesses from an office in this city. After three years of service every Cunanian officer is entitled to a farming, mining, forest or urban concession.

The plotters meet from time to time in a London vegetarian restaurant, which has hitherto been more closely identified with revolutions in diet than revolutions of any other kind.

M. Brezet informed some of his officers recently that he would be able in due course to arrange a loan of \$50,000,000. He would then have his armored ships built and his stores and depots established on the West African coast.

When all is ready the armada is to sail with quite a respectable contingent of active and retired officers and men of the British army and navy to occupy Cunani. He declares that Brazilians in that area never show fight or, if they do, are easily beaten.

WOLGAST MAY MEET WELSH

Former Champion Says He Has \$10,000 Guarantee for Bout Abroad.

Portland, Ore., Jan. 20.—Ad. Wolgast, former lightweight champion boxer, who, accompanied by Mrs. Wolgast, is visiting this city, stated that since arriving in the north he had received an offer of a \$10,000 guarantee for a twenty round fight with Freddie Welsh, to take place in England. Wolgast referred the offer to Tom Jones, his manager, in Chicago.

Wolgast declares he has little hopes of ever again getting Willie Ritchie, who succeeded to his crown, into the ring with him. He named six fighters, any one of whom he said he would back for \$5,000, to defeat the new champion.

They are Joe Mandot, Joe Rivers, Freddie Welsh, Jack Britton, Leach Gross and Teddy Maloney of Philadelphia.

Wolgast will leave in a few days for Cadillac, Mich. He expects to arrange for six round matches in Philadelphia.

COMMISSION FAR AWAY

So Con Jones Tells Newspaper Men While in Montreal.

A Montreal paper carries an interview with Con Jones, the Vancouver lacrosse magnate. It says that the well known westerner left Vancouver with the idea of forming a commission to govern lacrosse from coast to coast in Canada, but since his arrival east has almost given up the proposition. Speaking of the commission, Mr. Jones said:

"I was under the impression that it could be formed before I leave for the west again, but under the prevailing circumstances I do not see that anything can be accomplished. In fact, it is farther away than ever."

"I have suggested a meeting to be held in Winnipeg early in April, to which delegates from all of the clubs will be invited to discuss matters generally. I will not try to do anything on this trip nor until the Dominion Lacrosse Association and the National Lacrosse Union settle their differences. I think that one or the other should give way. One union is enough, and the other, if it is anxious to retain its identity, should be satisfied with playing senior amateur lacrosse."

COMPTROLLER OF MINT

Sir Thomas M. Elliot Appointed to Important Position in England.

London, Jan. 20.—Sir Thomas Henry Elliot has been appointed deputy master and comptroller of the royal mint in succession to Rt. Hon. William G. Ellison. McCarty, who has been appointed governor of Tasmania. Sir Thomas was in the Inland Revenue Department, and has been secretary of the Board of Agriculture since 1902. The deputy master is appointed to discharge the duties of the superior post, which by an act of 1870 is held by the chancellor of the exchequer for the time being.

ITEMS OF NEWS FROM HAZELTON

Since the inauguration of the freight service to and from New Hazelton the mines in that vicinity have started hauling ore for shipment. The Harris mines and the Silver Standard will both make large shipments from New Hazelton.

According to the Omineca Herald the Hudson Bay Company is likely to build at New Hazelton. Definite decision from Winnipeg is being anxiously awaited.

Wm. Baker, clerk at the New Hazelton hotel died on Friday, January 10th, after a brief illness, from pneumonia. He was only 24 years of age.

The Telkwa Tribune is the name of a new paper started in the interior. It is a well printed sheet devoted to the interests of the Bulkley valley.

INDIAN OUTLAW

TAKES BIG CHANCES

(Omineca Herald)

A news story appeared in a recent issue of the Prince Rupert News to the effect that Gun-a-Noot paid a visit to the Rev. R.W. Lee at the Kispiox sawmill and requested the return of the money he had invested in that enterprise. It is stated that Mr. Lee endeavored to induce the Indian to give himself up but the red-skin refused, fearing the white man's court. This is the Indian the Provincial Government has been trying to get for several years for the murder of two men. Gun-a-Noot has been in the district on several other occasions and his location is always known to his own people. Some of the boys who have been in the Ground Hog country have also reported having seen him. Still the Indian is at large and laughs at the law.

ALLAN LINER HAS

NARROW ESCAPE

Passenger Ship Takes Fire in Midcocean and Has Battle with Flames.

St. Johns, Nfld., Jan. 20.—A narrow escape from destruction by fire and severe experiences by passengers and crew were reported by the Allan Line steamer Carthagenian, which arrived here from Liverpool.

The steamer left Liverpool on December 28th for St. Johns, Halifax and Philadelphia. Captain McKillop said that when she was three days out her cargo caught fire in some unexpected manner. The flames spread so rapidly that it was necessary to pump an enormous amount of water into the vessel to drown them out with. The water was knee deep in the lower deck.

It is estimated that repairs to the vessel will cost \$10,000. A large part of the general cargo was damaged.
