**PORTLAND REFUSES WESTERN CONGRESS**

Portland, Jan. 29.—On account of lack of enthusiasm among the local bowlers the 1913 Western Bowling Congress will not meet in Portland. J. W. Blaney, who was to put up \$1,000 to guarantee prizes, has today written President Morley at Los Angeles advising him to turn the congress either to Spokane or Denver.

**WOLGAST PUTTING ON WEIGHT IN SOUTH**

Portland, Ore., Jan. 29.—The secret of Ad. Wolgast's protracted stay in Portland was learned today, when he announced that he stripped 139 pounds, four pounds heavier than ever before. Wolgast stated that he would remain in Portland as long as he continued to put on flesh. "In every match I ever trained for," said Wolgast, "I have had to knock off training a week or so before entering the ring because I was getting entirely too light to meet a 133 pounder. Now I can work my head off right up to the day of the contest."

**SIX DAY BIKE RIDERS OFF AT KANSAS CITY**

Kansas City, Mo., Jan. 29.—Twenty riders, including two from Australia, started in a six day bicycle race that opened here yesterday. A purse of \$3,000 will be divided among the winners. The men will ride eight hours a day.

**NEW WESTMINSTER AGAIN DEFEATED**

Victoria Wins by Score of 7 to 3—Westminster's Sixth Loss Out of Seven Games.

(Special to The Daily News.)  
Victoria, Jan. 31.—The home team defeated New Westminster here tonight at hockey by the score of 7 to 3. The persistency with which defeat follows Westminster is remarkable in view of the very good hockey the team puts up. They seem to have the aggressiveness and the skill necessary to victory, but there is something lacking which leaves them on the short end of the score in six out of the seven games they have played.

**JEFF AND BARNEY GO ON THE WATER WAGON**

Los Angeles, Jan. 31.—Jim Jeffries is mounted high on the water wagon today, while Barney Oldfield is keeping pace with that vehicle, to be present at any fatal loss of equilibrium by its once pugilistic passenger. Upon Jeffries' ability to cling to the seat for one year, during which time he also must forego cigarettes, depends the ownership of a \$2,800 pot which reached its size in small pieces, Jeffries and Oldfield raising each other's bet, while a party of friends applauded. The former champion denied his abstinence decision was made with a view to another "come back" attempt.

**SAYS EARTH IS HALF AS LARGE AGAIN**

San Francisco, Jan. 31.—That the universe is half again as large as the world has supposed; that the sun is still youthful, and keeps travelling northerly 20 miles a second; that the north star is not really a single star, but consists of three suns revolving about a common centre, are some of the latest scientific discoveries announced by W. W. Campbell, director of Lick Observatory, of the University of California. What is considered one of the greatest contributions to cosmology the Lick Observatory has made is Campbell's proof by spectrographic observations that stars in the earlier stages of their existence are travelling slowly through space and that their speed increases with their development. This had not been suspected. Campbell has also proved that nebulae have spiral form, which shows their rotation, and that most stars are double, triple or quadruple.

**THOSE SPRING HATS WILL SURE BE GAY**

Paris, Jan. 31.—Drawing their inspiration from the new and freakish Futurist cult of art, the milliners of Paris today are preparing for the spring market the wierdest confections in feminine headgear that have ever been attempted. The Futurist hat is without any particular shape or form, but the color combinations are a bit noisy. For instance, one exceptionally modest creation, displayed in the Rue de La Paix, shows four colors in the trimming—red, violet, green and yellow. Another favorite ensemble is mandarin blue, emerald green, Spanish yellow and bishop's purple, with a dash of cerise. Orchard effects give evidence of renewed popularity, with apples in all shades of green, red and yellow predominating. One especially chic top piece is decorated with two peaches, half a dozen plums and a handful of cherries.

**Beattie Nesbitt Dead.**

Toronto, Jan. 31.—Dr. Beattie Nesbitt, charged with conspiracy in the famous Farmers' Bank failure, died at his home here this afternoon. One hour before his death application was made before the judge to quash the conviction. The judge said he would give the matter consideration.

**SOUL WINNING CHAIN IS STARTED BY TORONTO MEN**

Toronto, Jan. 31.—To start an endless chain of soul winning men fifty members of St. Paul's Methodist Church, Avenue road, pledged themselves to bring at least one man to Christ this year. The action was taken at a meeting held under the auspices of the Men's Association of the church. Following an address by W. Goodwin of Montreal, the chairman said the action was not prearranged, but was the result of inspiration from heaven. During the course of his address Mr. Goodwin said it would take less than 40 years to win the world for Christ if the chain was continued unbroken. At the end of 30 years it comes to one billion people, starting with one person the first year and doubling the number every year.
