## Carl Furillo does it again RCMP edge Sports Shop 11-9

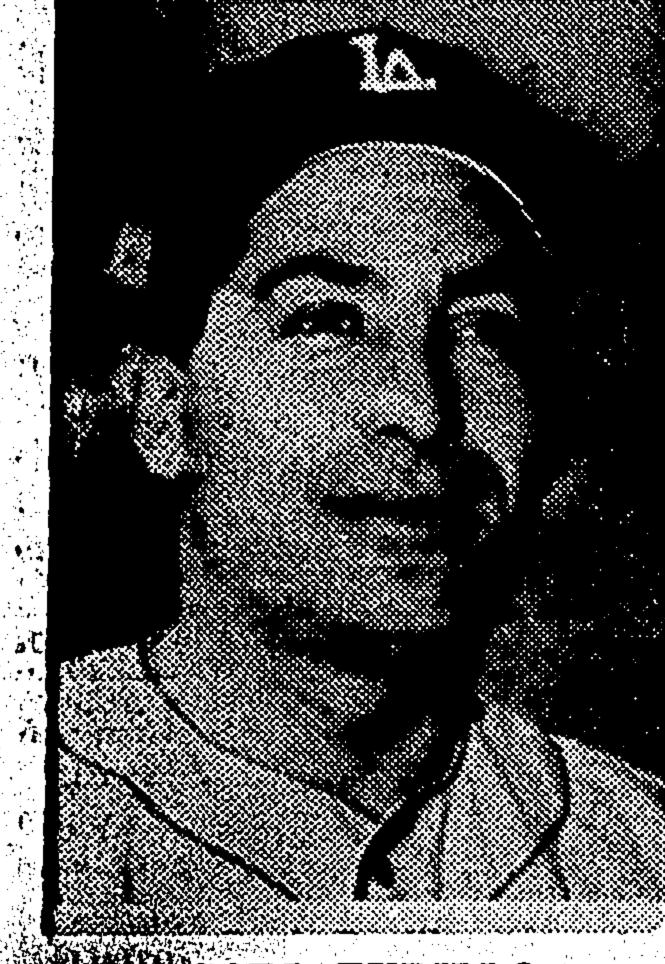

### Veteran's single plates two runs

LOS ANGELES (CP)—Los Angeles Dodgers entered the fourth game of the world series today with a 2-1 lead—propelled there by a tape-strung, limping veteran who reminded Chicago White Sox of 6 some basic essentials.

Carl Furilio came off the Dodger bench—just as he did against Milwaukee Braves—and smashed the turning-point single which proved that the Los Angeles timing with the bat can be as destructive as the Sox' speed on the base paths.

### ESKS MOVE TO 2ND SPOT TIE, TWO WIFU GAMES SET TONIGHT

There is more than the usual interest in the two games being played in the Western Interprovincial Football Union

Games go in the extreme western and eastern cities in the league, with Saskatchewan at Vancouver to meet B.C. Lions and Calgary in Winnipeg for a clash with the Blue Bombers. Edmonton Eskimos sit it out tonight after trouncing Rougnriders 44-15 in Edmonton Saturday, but still have a vital interest in the results.

The win moved Esks into a second-place tie with the Lions with 14 points, two off the pace set by Winnipeg. Both second-place teams have won seven and lost four of their 11 starts.

A B.C. win tonight would put Lions in sole possession of the second position.

In Winnipeg, Calgary Stampeders will be fighting grimly for the win in an effort to remain in contention for the third and last payoff spot. Winnipeg wants the win—and as many more as possible in the remaining five games—to solidify. their grip on the leadership and get a bye into the finals.

The outcome of the B.C.-Saskatchewan game won't make much difference to Roughriders. Their loss to Edmonton Saturday ran their winless streak to 10 in 10 starts—equalling the record set by B.C. last year.

They'll be trying, however, to win for Frank Tripucka, in from Ottawa to take over the head coach's spot. His presence on the bench seemed to inspire Riders to

some degree Saturday. They turned in a surprising firsthalf performance but couldn't hold the pace.
