MAJESTIC GETS
GREATEST FILM

Homer's Odyssey Wonderful Moving Picture Production
Cost \$200,000

Starting Friday and running through Saturday, including Saturday special matinee, the Majestic Theatre will exhibit what is conceded to be the peer of all feature film productions. Homer's Odyssey presages a new era in film making. It thrills and staggers imagination and the most remarkable of all is the fact of getting such wonderful, living, breathing, sensational realism into moving pictures. The history of the great work has been handed down from father to son for the last 5000 years and it is no doubt quite familiar to the majority of Rupert people. The film depicts in a most vivid

manner how Ulysses and his companions after falling into the hands of the mammoth cave dwelling giant Cyclopes, light the sharp end of a tree by the fire and put out the giant's lone eye with it. They then escape by binding each other under sheep belonging to the giant. After the voyagers are safely in their boat they throw back taunts to the enraged giant, who in a fit of extreme anger breaks off the top of a mountain and hurls it at the ship, just missing it. Continuing the little band of Ulysses encounter many strange and wonderful adventures, and it sets one wondering how it is possible to photograph such enormities.

The production is in three reels or three thousand feet of gorgeously tinted colored film and will surely be a big surprise to the picture goers who see it. Another big feature will be run with the "Odyssey" picture, making a full big programme.

SCENE FROM HOMER'S ODYSSEY AT MAJESTIC THEATRE TONIGHT

MARIE CORELLI IN COURT

Accuses Vaudeville Performer of Pirating Play from Novel of Hers.

London, March 13.—Marie Corelli is plaintiff in an action to be heard in the Chancery Court today. The novelist is asking the court to grant an injunction restraining George Gray, the noted vaudeville performer from producing a sketch entitled "The People's King." Miss Marie Corelli alleges the sketch is a dramatization of her book "Temporal Power," the incidents in which form the basis of Gray's sketch. Gray denies the novelist's charges and says his sketch was written before "Temporal Power" was published.

NEW WEIGHT RECORD

Pat McDonald of New York Shatters 24-Pound Shot Mark.

New York, March 13.—"Pat" McDonald of the N. Y. A. C. established a new world's record last night, tossing the twenty-four pound shot 39 feet 3 1/4 inches. The real star of the annual senior indoor championships of the Amateur Athletic Union, held in Madison Square Garden, was Abel R. Kiviat of the Irish-American Athletic Club, who won the 600 and 1,000 yard runs.

In romping away with the big middle distance events, Kiviat made a new American record in the 1000 yard run of 2:15 4-5, shortening his own record of two years' standing by two-fifths of a second. An hour later he led "Ted" Meredith, the Olympic winner, by inches in the 600 yard run, with Tom Halpin of Boston a close third.

McDonald exceeded his own world's record by five inches when he smashed the mark for the twenty-four pound shotput. The former mark was made at Celtic Park outdoors eighteen months ago.

Kolehmainen, the Finnish long distance runner, dropped out of the two mile race, after trailing the field of seven runners for a little over a mile. Apparently he was unable to warm up in the distance, which is shorter than he fancied.

Harry J. Smith, the ten mile national champion, went cold, also a lap ahead of the Finn, and dropped out. William J. Kramer, the former cross country champion, led the field in the ten mile event and was never headed.

The American indoor records were equalled in the seventy yard hurdle by James I. Wendell of Wesleyan, and Howard P. Drew the negro sprinter from Springfield, Mass., in the seventy-five yard dash.

A penalty of three yards for breaking in the final of the 300 yard run failed to defeat Fred Burns of Boston, who won and came within one-fifth of a second of the American record of thirty-three seconds.

GAME LICENSES FREE

Settlers and Prospectors Will Not Be Charged for Hunting Privileges.

Victoria, March 13.—Misunderstanding the provisions of the new game protection act, many settlers and prospectors are under the impression that they will have to pay a license fee for the privilege of hunting. Such is not the case, the act distinctly providing that licenses may be issued to settlers and their sons hunting on their own properties, without charge, and also during the open seasons, to prospectors holding free miners' certificates.

NOTICE TO FISHERMEN

Any fisherman desiring to fish unattached from canneries must make application for license to the Fishery Officer at Prince Rupert before March 15th, 1913.
