### This Big Stock of Merchandise

Each and every article in this stock of merchandise is from the best manufacturers in the United States and Canada. Each and every line is up-to-date in every respect. Prices, which were always the lowest, will be cut in two. Positively no stock reserved; each and every stitch of merchandise in the place will be put on sale. There are scores of new ideas to select from in all departments of the store. What you have paid formerly cuts no figure now. Former prices all forgotten.

Perhaps we are talking to one of our customers and probably talking to some citizen who has never entered our store. It makes no difference, we are here with the bunch of surprises for all. Merchandise at red-hot, cut, slash prices. Waken up! Be alive to this golden opportunity. Come with a well filled purse, as the terms are strictly cash.

### The Greatest of All Sales

Like a great comet appearing in the clear sky, a monster ball of fire leaving a glowing trail startling the entire world, comes this tremendous sale. A mammoth stock of trustworthy merchandise, glowing with bargains, blazing a new trail in the mercantile history and crushing prices lower than ever before, causing a fast and furious sale unknown in the commercial annals of the city. Never before such amazing, unbelievable reduction in prices. A stock of merchandise converted into a grand sensational bargain panorama; a veritable wonderland, causing joy with astounding bargains that will open your eyes in amazement by daring feats and raging torrents of underselling that will dazzle and delight every mortal man and woman for a radius of many miles. The shelves will be stripped to the naked wall to pile high the bargain bins and tables.

### You be the Judge

We do not ask you to take our word for any statement made in this circular. We might say, right here and now, that you shall be the judge. Come and see for yourself. Look over the great bargains offered and see if we are not making prices which were never before made in this store or in any other store in town. This is not a profit-making sale. Mothers, bring your children. Husbands bring your wives. Now is the opportunity to dress well for little money. If we were to offer you silver dollars for 50c you would line up in front of the store and wait your turn. Now here is the same proposition, so get in line. Be here early. Don't allow your neighbor to get ahead of you. In some cases we are going further than offering you silver dollars for 50 cents. Now we advise you to HURRY! HURRY!! HURRY!!! If you can't run, hurry just a little.
