Kennedy's father critically ill still

WEST PALM BEACH, Fla. (AP) — President Kennedy's 73-year-old father was reported "somewhat improved" today. The former ambassador to Britain, Joseph P. Kennedy, spent a good night, White House press secretary Pierre Salinger said.

There was still no decision, Salinger said, as to whether the dent, Mrs. Jacqueline Kennedy, said he would make a proposal ceived from the area barely covpresident will go to Bermuda and Attorney - General Robert to this effect at the spring ses- ers operating costs and "doesn't Thursday for his scheduled talks F.
