FINDS HIMSELF DIVORCED

# Lost protessor located as paint plant worker

ROCKFORD, Ill. (AP)—A pigment grinder in a factory, Verne Hanse, refused to talk today about his life as Dr. Carl Vernon Holmberg, a Syracuse University professor who disappeared in 1955.

### Luropeans not worried about war

TORONTO (P) — The nations of Europe are not worried about. a nuclear war. Works Minister Walker said Wednesday night. Mr Walker told members of Association he gained this im- pany Wednesday of the identithe Ontario Insurance Adjusters pression from talks with people fication linking him to the proin England, France and Sweden last November.

There are no air raid shelters; in France or England, he said, he said. "I don't see how a man and mention of the subject can break off one life and start arouses laughter.

Mr. Waiker said it is evident going to do now." no country desires war less than

During the spring break up it may be necessary to impose load restrictions on some Highways, pursuant to Section 27 of the Highway Act. These restrictions may be imposed on short notice and trucking and transportation companies should govern themselves accordingly, and are requested to take advantage of the present road conditions.

The restrictions will limit the axle loads of trucks and buses.

Vehicles wil solid tires will be prohibited from using the Highways.
