# WOULD HAVE LOCAL OPTION CLAUSE IN NEW LICENSE ACT

MINISTERIAL ASSOCIATION OF PRINCE RUPERT OTHERWISE  
ENDORSES NEW PROVINCIAL LICENSE ACT.

Prince Rupert,  
April 8, 1913.

To the Editor:

At a meeting of the Prince Rupert Ministerial Association, held yesterday afternoon in the vestry of the Anglican church, at which all the churches, except one were represented, including the Lutheran Church and the Salvation Army, a discussion took place on the new provisions of the License Act as amended at the last session of the provincial legislature, and I was asked to voice the sentiment of the meeting.

While we are unanimously of the opinion that there should be a local option clause in the Provincial License Act which would allow municipalities, and wards of cities, the right to banish the bar from their locality, if they wished, and while we cannot help thinking that this very tightening of the cords of the License Act has been done partly at least to head off an agitation for this power of local veto, which the liquor men dread so much, yet at the same time remembering that sometimes it is wise to "hasten slowly" we cannot refrain from highly commending some of the new provisions of the License Act.

We have as a body on more than one occasion brought before our city council the disastrous effects of permitting the sale of intoxicating drink to continue until midnight. The new law closes all licensed bars from 10 o'clock Saturday evening until 7 o'clock Monday morning, and on other nights from 11 to 7. For many parts of the province this is a forward step.

Any person apparently under the influence of liquor, or who has acquired the reputation of being a drunkard, or notoriously wastes his money in drinking

## BOARD OF INSPECTORS FOR CANADIAN BANKS

Suggestion to Pay Chairman of  
Board Twenty-Five Thousand a Year

Ottawa, April 5—A rigid and thorough government inspection of Canadian Banks was strongly advocated by Mr. H. C. McLeod, ex-bank manager and monetary expert, before the banking and commerce committee yesterday morning.

Mr. McLeod's suggestion was that a board of inspectors should be nominated by the directors of the banks to be approved by the government or finance minister. He thought that a board of twenty would be sufficient to provide a complete and adequate inspection of all the banks in the Dominion at least once a year. Only the head offices would require or demand inspection although in some cases he thought it might be necessary to inspect some of the larger branches.

Mr. McLeod said he would pay these inspectors ample salaries. The chairman, he thought should receive no less than \$25,000 a year. This particular suggestion was received with a gasp of astonishment by members of the committee.

"Why! That is more than a cabinet minister gets," exclaimed Mr. White.

## Consular Post Raised

Seattle, April 5—In a letter received yesterday by the new Chamber of Commerce from the London chamber, the former body is advised that beginning this month the status of the British consular post at this port is raised from that of vice consulate to a consulate.

## Another Australian Warship

Sydney, N.S.W., April 5—The Sydney Sun, referring to Australia's proposed naval expansion, says that the British admiralty will welcome another super-dreadnought for the Imperial fleet, as it will quicken the pace of other Overseas Dominions in the matter of naval construction.

During courtship a man easily makes a dollar look like thirty cents. After marriage he tries to make thirty cents look like a dollar. This is less easy.

## DIRT FROM CREEK PANS OUT WELL

Prospectors from Silver Creek  
Arrive at Nahlin Showing  
Good Pay for Work

Nahlin, B.C., April 4—Two men who came down the trail today from Silver Creek report that J. Fuller, owner of No. 11 below discovery on Silver Creek, has reached bed rock after passing through five feet of gravel. They took out coarse gold to the value of 75 cents a pan, which is considered good pay.

Prospects on other creeks appear to be favorable, but no bed-rock has so far been uncovered except in the case mentioned above.

There is a small town of tents on Johnson Creek and other creek benches are being dotted by the tents of the new arrivals. The first white woman and child in camp are Mrs. McGrath and her son, who accompanied the husband and father from Rome. W. F. Carmack and his wife, and Billy Leak of Dawson, are on the way in, while Johnson of Nome, and Jim Barry of Juneau, are among the other well-known Alaskans on Silver Creek.

## American Wins in Paris

Paris, April 5—Jeff Smith, the American middleweight pugilist, practically knocked out the Frenchman, Adrian Hogan, tonight at the Cirque de Paris. The end came in the eleventh round. When Hogan was helpless on the ropes, his seconds sprang into the ring and carried him out. The bout was scheduled for 20 rounds.

## Gunboat Smith Gets McKay

New York, April 5—Gunboat Smith, the Californian heavyweight, knocked out Fred McKay of Canada, in the second round of a scheduled ten-round bout here tonight.

McKay had the better of the opening round, Smith finding it difficult to reach his opponent who was taller and twenty-nine pounds heavier. Smith weighed 183 pounds.

## Moving to New Station.

The railway offices in New Hazelton will shortly be moved into the new station and the cars now used as a depot will be moved out to Porphyry Creek, at which point the service will soon be extended. This is about twelve or fifteen miles farther east and it means that much less haul for the contractors who will have a big bunch of supplies to go out as soon as the roads get in a little better shape.
