WHAT IS IT... This isn't a hairy man from mars but a monster of the deep jigged by Ken Wrathall of 1463 Second Avenue West last Friday in Kitkatla Inlet. Ken was fishing with his brother Jack in about 60 or 70 feet of water at the time when he hooked this "whatisit." The boys checked through several fisheries books but all they know is that it's a crab with spines. They claim it's not a king or spider crab. The monster was cleaned, glued back together and mounted. It is now on display in the window of Wrathall's Photo Finishing.
