Lack of narcotics may spark crime wave

VANCOUVER (CP)—Police said Wednesday they fear a wave of serious crime may result from a shortage on the illicit narcotic market.

They said addicts have to pay up to \$22 for a single and hard-to-get cap of heroin. The price shot up from \$10 a cap in less almost immediately went up almost immediately went up. than two weeks.

The addicts have turned to long jail term—traffickers have barbiturates, called goof balls, received up to 12 years recently sleeping pills and other drugs | __ may be the reason for the as a substitute for heroin. Po-shortage and the high price. lice said eight known addicts. Others believe the traffickers were picked up "dry-drunk" — are keeping supplies short to under the influence of substitute force the price up. drugs—Tuesday.

Addicts are reported milling sleeping pills and barbiturates around skid road. Police report with sales of up to five dozen an increase in small crime and bottles at a time. there have been some street

The Province says some addicts! can't buy drugs for any price. One woman could not buy a cap for \$50. Others were going to Seattle to pick up emergency supplies.

Police say a new crop of traffickers moved into the city fol-
