OPENING THIS YEAR — Official opening of the Trans-Canada Highway will be held this year although it may not be completed for another two years. Map shows route of the 4,589mile highway from St. John's, Nfld., to Victoria. About 3,293 miles of the route have been com-__.CP Newsmap pleted to standard.

WORK REMAINING - About one-third of the Trans-Canada Highway still is not up to standard. Graph show how much each province has completed and how much remains. Four provinces, Prince Edward Island, Manitoba, Saskatchewan and Alberta, have completed their sections.

EXPANSION FOR RESARCH COUNCIL

Greater efforts to boost B.C., its products urged by Fernie MLA

tended by a high percentage of made to find a peaceful solution VICTORIA (CP)-Increased efforts by the trade and industry department to promote sale of British Columbia and its products was called for Monday by Harry McKay, Liberal member of the legislature for Fernie.

He also urged expansion of the B.C. Research Council and establishment of an industrial be called the "Tom Uphill

THE MY "CITY OF VICTORIA" is the latest ferry to be accepted by Premier W. A. C. Bennett, chairman o fthe B.C. Toll Authority Ferry System. President Harold Husband of Victoria Machinery Depot turned over the ship in a ceremony at sea during a cruise with 700 invited guests. The City of Victoria is the third new ferry completed for the system which provides service to Vancouver Island, the mainland, the Sunshine Coast and the Gulf Islands. Plans have been announced to bring the fleet up to 17 ships.
