DO YOU BELONG?

If you like your own town best,
Tell 'em so!
If you'd have it lead the rest,
Help it grow!
When there's anything to do
Let the people count on you;
Strive for something big—and new—
Make it go.

Buckle in and show your grit—
Earn a name!
If the other fellow's it,
Who's to blame?
Spend your money in the town
Where you pull the sheekles down;
Work to give it just renown—
That's the game.

If you're used to giving knocks,
Change your style;
Throw bouquets instead of rocks
For a while!
Let the other fellow roast;
Shun him as you would a ghost;
Meet his hammer with a boast—
And a smile.

When a stranger from afar
Comes along,
Tell him who and what you are—
Make it strong!
Needn't flatter; never bluff;
Tell the truth—that's good enough;
Join the boosters—they're the stuff
We belong!

HOW ASTON VILLA WON IN CUP FINAL

Defeated Sunderland by One Goal to Nil Before a Record Crowd.

London, April 19.—The final game for the English Football Association cup opened at the Crystal Palace today before a record crowd. Aston Villa scored in the last half and won from Sunderland by one goal to nil.

The Villa won the toss and elected to play before the breeze. The game was brilliant from the start, with the Villa men aggressive, but the defence of Sunderland proved impregnable until Hampton netted a goal for Aston which was the signal for a tremendous burst of cheering. The referee decided, however, that it was offside. Wallace later failed to score from a penalty, and at half-time no score had been reached.

On resuming Sunderland instantly put on steam, and it looked as if Holley or Martin would score, but Leach effected a rescue. Richardson of Sunderland missed a glorious chance of scoring from a pass by Buchan. Later on Martin bore in upon Hardy, the Villa goalkeeper, who advanced to meet him, the two players collided, Hardy being injured and compelled to leave the field, Harrop taking goal. This misfortune spurred the efforts of the Villas, Barber, bearing down all opposition, scoring in magnificent style.

The final score was on to nothing in favor of Aston Villa.

Hyland and Scaler to Box

Vancouver, April 19.—"Fighting Dick" Hyland, who is matched to meet "Kid" Scaler, of Edmonton, in a fifteen round bout at the Steveston Arena on April 26, arrived in the city last night to go into training for the bout. Scaler has been here for a couple of days, and is already down to the hard grind of conditioning.

McFarland Beats Knight

San Francisco, April 20.—Any prestige Phil Knight, the Kansas City lightweight, may have gained by knocking Ad. Wolgast down in a practice bout, is lost today through his defeat at the hands of Tommy McFarland, the Mission scrapper, who beat Knight badly in their four-round main event at the Pavilion here. Knight entered the ring ten pounds overweight, and floundered about the enclosure like a storm tossed derelict. McFarland won the decision by a mile.

London, April 19.—Sir Cecil Arthur Spring-Rice, the new British Ambassador to the United States, left late today for Liverpool to sail for New York on the Germania. "I shall assume the duties of my office as British Ambassador immediately on my arrival at Washington," he said, "and my family will come on later."

BOYCOTTING ENGLAND TREATED AS A JOKE

Mrs. Oliver Belmont Displeased at the British Government's Treatment of Militants

London, April 19.—The Star last night, in an editorial based on despatches from New York stating that Mrs. O. H. Belmont had threatened to boycott England, says:

"These subtle disasters which apparently make not a ha'porth of difference to any one are often to be feared the most. Until we looked out of the window this morning, there was nothing in the atmosphere to suggest that Mrs. O. H. P. Belmont of the U.S.A., had declared a boycott on England. Yet she had.

"The New York correspondents of the London paper announces that the lady, who is the mother of the Duchess of Marlborough, is determined to show her displeasure at the British Government's policy, by declining to stop in England this summer, by boycotting British goods and by trying to induce her friends to do likewise.

"After all, a duke is British goods, and an American society lady boycotting a duke is unthinkable. The Mauretania is big British goods too, and should be almost offensively British in American eyes, seeing that she belongs to the great company which so successfully defied Pierpont Morgan's transatlantic shipping combine. The British Mauretania will bring Mrs. Belmont to Fishguard and there land her on this repugnant island. A boycott strikes us as a rather shocking failure. If Mrs. Belmont really means to avoid us she should stop in America and do the thing properly. We should not mind."
