Moose holds annual picnic

Even the weatherman co-operated Sunday to hold off the rain so everyone could hae a good time at the annual Moose picnic held at the Port Edvard ball park.

In charge of the event were Governor Harold Hampton of the Loyal Order of the Moose, and his committee composed of Melvin Matthews, who was in charge of the races, Jake De Wagd, Peter Wanner, Lorne Anderson and William Sharp.

During the afternoon a baseball game and horseshoes were enjoyed. Winners of the races

KATHY POWELL, formerly of Australia, has been operating a postcard and souvenir stand aboard the Alaska tour Canadian Pacific steamships for the last seven years of the nine years she has been with the company. Miss Powell came to Canada in 1954 after going to England with some friends who were in the British Empire Games. Miss Powell herself was a member of the Melbourne Rowing Club which won rowing championships in the Wheelbarrow race: Mrs. Sharp | state of Victoria for eight years. She has been to Europe three and Kenneth Hardy, Roddie times for visits in the last eight years, but always returns to Schwab and Kenneth Dallyn, Canada and the boats, which she says she loves. She finds the trips and the tourists most interesting, and meets people from all over the world at her job. The Princess Louise will be in port tomorrow morning northbound and will pass through here again Monday afternoon on her way south.

Another real loss for us was when the Newton family left for home in Prince Rupert on Monday morning as they had been here for two weeks. We were able to get together here in our house one evening when the Knight family was also here from Kitimat, and Alison Newton kindly played the accompaniments on our piano for us all to sing. Mrs. Knight, who is choir master of the Anglican Church in Kitimat land also teaches piano, took over l with the piano later on and we

are still wondering how young Tommy Newton managed to get his hat safely back home again for our cow and the horses had their eyes on it from the day he arrived here. It was of woven straw with the ends sticking out in all directions. Our cow fol-
