while jobless total decines

Unemployment down 1.1 per cent

OTTAWA (CP) — A large influx of teenage students slowed the May-to-June decline in unemployment, holding it at 301,000 last month, the Dominion Bureau of Statistics and the federal labor department reported today.

The monthly labor force re-ort showed employment up by ployment fell by 35,000 to 301,-

The June jobless total represcnted 4.5 per cent of the labor force, compared with 5.1 per cent in May and 5.6 per cent in June
