the length and breadth of Canada, is synonomous with "salmon." WANTED—Stationary engineer with 4th class papers. Apply Box 38, Daily 115-17

Although within such easy reach News.

Two steamers are required the accidents were septoral arated by a period of two years, the summer months to they hit within one hundred are required to the summer months. of Prince Rupert, it is more than likely that a large percentage of the excursionists have recorded yesterday as the occasion of their first sail on the Skeena and their first visit to the canneries which prepare annually for the world's markets thousands upon thou- FOR SALE-Half price, equity in a Gerardsands of the best salmon that is found on the whole Pacific coast.

The excursion yesterday was via the commodious steamer Princess Mary, of the C. P. R. coast fleet. Although scheduled to leave at 8:30, the steamer did FURNISHED cabins, \$5.00 per month. Apnot get back from its Granby trip until nearly 10. The excursion- 1 ists, however, awaited its arrival; with the best of patience, most of them realizing that such delays are quite excusable when the varying tides and the nature of ing after the passengers were aboard and it is safe to say that not a single excursionist has any kick to register in regard to the entire day's outing.

the day was ideal, with a bright sun and a gentle breeze fanning the dancing waters. Most of the passengers remained on deck to enjoy the beautiful scenery and to inhale the bracing air. The first stop was at Oceanic cannery about noon, the next Balmoral, then Claxton and the final call at Carlyle. Owing to low tide, the the steamer did not stop at Essing ton, but the excursionists were trator, care Williams given the privilege of seeing it at w-May 19- June 9,1913. close range.

Balmoral and Claxton canneries were thoroughly inspected. The wonderful machinery Engineers, Stationary and Marfor making the tins and the "iron Chink" for dressing the salmon were most interesting. The immense quantities of tins already made for the coming season gave a splendid conception of the mag-nitude of the fishing industry on NEW STOCK OF SEEDS nitude of the fishing industry on the Skeena. Gray's orchestra. with the Westholme drummer We have kept everybody in the best of humor by their lively music. TIMOTHY They were most liberal in their CLOVER

The excursionists could not speak too highly of the splendid Mail orders Promptly attended to service given by the Princess Mary. The boat itself is well PRINCE RUPERT FEED adapted for an outing such as that of yesterday. It has ample deck room for those who wish to stay outside, cosy saloons and pleasant smoking and observation rooms. The dining room service was satisfactory in every respect. The menu was sufficiently elaborate to suit all tastes and the foods were splendidly prepared and daintily served. The courtesy of the officers and staff throughout was most noticeable. From captain to cabin boy all endeavored to make everyone comfortable and happy.

The Eagles are to be congratugratulated for conducting such a well managed and orderly excursion and those who enjoyed BODY DOES NOT ALL the trip are indebted to them for providing the opportunity.

Prince Rupert was reached on the return trip before 9 o'clock, Scientists Discover that Life Has everyone satisfied with the day's
