The Scene:

The office of Crazy Stumble, Manager of the Prince Rupert Musk-eggs Baseball Team. Gathered about are members of the local baseball executive. They are about to select teams for the forthcoming season. Present are Crazy, Willy Deadmichael — Manager of the new team "The Wetbacks", Sparkplug Schmidt — league president, and Adolph Welldocked — local beautician and league peace-maker.

Crazy — "Well as far as I can see there isn't any problem. Here's this list of players I want".

Willy — "Just a minute, Crazy. We'll do this democratically. Each position will come up and we get first choice on one and second choice on the second".

Sparkplug — "Yeah". Adolph — "Dot's not de vay ve did it in de old days. Ve vas appointed by de Feur - - - I mean e boss"

Willy — "Dont be silly, Adolph. This is Prince Rupert; not Terrace".

Crazy — "Yeah. We pick our teams or I don't manage. Now for catcher, I pick myself".

Willy — "Okay". Sparkplug — "Yeah".

Crazy — "Alright, Willy. Your choice".

Willy — Well, for first base I'll take Pug Rotten" Crazy — "Now just a minute. I was counting on him. You can have Fat Slack Stitchall".

Sparkplug — "Yeah". Willy — "Baloney. He can't hit his weight and his hands are covered with thumbs".

"Yeah". Sparkplug — "Yeah".

Crazy — "Shadup, Sparkplug. Tell you what. Willy. I'll give you Staves Rung and Fat Slack if I caln have Rotten' Adolph — 'Dot zounds like a goot one, Villy". Willy - "No soap. But if you throw in Shank Lennel,

I'll go along with it" Crazy — "What's the mater with you. You think I'm crazy"?

Sparkplug — "Yeah". Adolph - 'Silence, Shpark Ploog. Dot zounds goot, Crazy". Crazy — "Awwww, rats. I need Lennel for pitching. Tell

you what though. You can have Bones Lumbie". Willy — "Okay, I'll go for that. Now at second base I want Stoop Hurry"

Crazy — "Holy cow. You want all the good ones". Sparkplug — "Yeah".

Willy — "No. But he's the only guy in the league who combines second base and right field into one position". Crazy — "So What. I need the guy to cut my hair when I'm nervous in the dugout". Adolph — "Vot, vot, VOT"!

Sparkplug — "Yeah". Willy — "Okay, okay. Take him. But I want Boob Sadams and Hal Heinz"

Adolph — "Dots a nize zounding name". Sparkplug — "Yeah"

Crazy — 'Its like cutting off my right arm but you can have them. Providing — heh heh — providing that I get Skunk Bomberg and Spruce Cur".

Willy — "Agreed. But I still ain't got no second baseman.". Crazy — "Take that Rave Dallen. He comes home from

school shortly". Adolph — "Reform school"?

Sparkplug — "Yeah". Crazy — "No. Crofton House in Vancouver".

Willy — "Alright, but it's against my better judgement". Crazy — "About the outfield — I want both Sprocks and Hordy Glamouron".

Willy — "Glamouron happens to be a pitcher and we haven't come to them yet." Crazy — "He's not going to pitch if I get him. He hits too goot".

Adolph — "You mean good". Crazy — "Yeah, good."

Willy — "Okay, okay. You're robbing me blind but help yourself". Adolph — "Dats okay, Villy. You get dat odder chocker,

Bal Badmans". Crazy — "Yeah. He's the best in the league when he's on".

Sparkplug — "Yeah". Willy -- "Well that's just about everyone. Shall we adjourn for a few sips of nectar"? Sparkplug — "Yeahyeahyeahyeahyeah. . . ."

Any resemblance to persons living or dead is purely intended as fun. Bye now.
