The bidding:

card strength as, for example, ing the ace of clubs. ace and king in a suit in which In my opinion, the blame for

show certain aces.

has a holding which is valued retire from further action.

at somewhat over 21 points, which includes, of course, high cards and distribution. He should, therefore, insist upon a game contract when he learns that partner has been able to keep the bidding open for one round. On this basis, his proper rebid would have been a jump to four hearts leaving nothing

North had the equivalent of an opening bid himself and. facing a partner who had opened and then jumped, he was aware that a slam was in the offing. He had no further features of his own to show and, since South by his rebid East had firmly established hearts Pass as trump, North extended his Pass invitation by raising beyond Pass game to five hearts.

The humiliating effect of an At this point, South fell into unsuccessful slam effort is quite the trap he had created for understandable. Sometimes the himself by virtue of his undervictim derives a measure of bid on the previous round. consolation from the thought Since he felt that he had not that the mishap was due to yet done justice to his holding. what we refer to as "duplica- he carried on to a small slam. tion of values." Such a case is West opened the ace of diafound to exist where one player | monds and, when this held the has a concentration of h i g h | trick, he followed up by cash-

reaching an unmakable slam In today's hand, South influ- rests squarely on South's shoulenced by his partner's leap be- ders. If North had held either yond game carried on to a minor suit ace, he could have slam, losing sight of important shown it quite conveniently negative inferences to be over three hearts by bidding drawn from North's failure to either four clubs or four diamonds, prior to raising his part-South opened the bidding with ner. North's direct leap to five one heart and North responded hearts announces a good hand, with one spade. South's rebid but denies the ability to show was a jump to three hearts, any more primary controls. and this is the call which does South must, accordingly, bow not meet with my approval, to the inevitable and accept the for a jump in the same suit by fact that he is off two aces. the opening bidder, while it des- Even tho he holds something ignates a strong hand and a in reserve, he must recognize good suit, is not forcing on the that the partnership lacks the responder. In this case, South necessary two aces and must
