## Pulp mill to be built at Crofton

VANCOUVER ((Pi) Forest Products, in addition to construction of a \$25,000,000 newsprint mill at Crofton, B.C., will start work this year on a \$6,400,000 pulp millthere.

The information was contained in the company's 1962 annual report released Monday over the signature of board chairman E. P. Taylor.

pulp facilities is timed to coincide with the start-up of the newsprint mill in 1964.

In addition, B.C. Forest Products plans to spend about \$3,-000,000 this year to improve production efficiency and the quality of its manufactured pro-

## CITY COUNCIL CHECKING INTO CURFEW ENFORCEMENT

Under existing regulations children under 14 must be off the streets by 10 p.m. unless accompanied by their parents or having a good reason for being out after that hour alone. However the rule does not apply during he months of July and August when they may be out 24 hours of the day.

On recommendation of the police and traffic and safety committee, the city administrator will check with other B.C. cities as to their curfew bylaws and enforcement methods.
