IF YOU'RE A GOURMET . . . you know the importance of good

taste in food. And you also know the importance of a healthy diet. FLEISCHMANN'S 100% CORN OIL MARGARINE is ideal for modern diets because it's high in polyunsaturates, and low in saturated fat. There is almost a full cup of liquid corn oil in each delicious pound. In fact, of all leading margarines, Fleischmann's has the highest ratio of polyunsaturates to saturated fat. Ask your doctor about its benefits in your family diet. And as a gourmet, you'll love Fleischmann's delicate flavour — really superior to that of other margarines.

. . . and no bath-tub 'ring'! Yes, Calgon Bouquet is a water 'wonder-worker'. I use it in my shampoo, too . . . one teaspoonful in the wash-water helps sudsing . . . one teaspoonful in the first rinse leaves hair shining clean.
