Newspaper and magazine representatives from as far east as New York City introduced them-

Senator Gruening, who proposed a toast to British Columbians, lauded the farsightedness and keen business acumen of initiators of the Marine Highway system and the culmination of four years of effort in creation of the new

"It took real courage, real im- ! agination, and real audacity," he said, saying many had scoffed h and said "it couldn't be done." The system, he said, was a living example of what people's could achieve when they went; out "to carve their own destiny.";

In extending congratulations [] from British Columbia, Mr. Williston praised Alaska for not only obtaining the ferries but also for "placing the southern h terminus at Prince Rupert, in 🗌 the middle of the province, at [ the end of what we hope will be our second Trans-Canada High-

He said contracts for final paving gaps in Highway 16 would be let before the next provincial election — and that must be called before Septem-

Governor Egan said the ferry system was an illustration of what could be accomplished in the free world by co-operation | between countries. GIVES CREDIT

Alaska, he said, had been hampered heretofore in its efforts to build up a tourist industry by its single road route into the state - the Alaska Highway. Now, with a circuit travel system, there was no longer any need for visitors to backtrack on their return journey.

Toast to the Alaskans was proposed by chairman Ritchie. Prince Rupert put on a gala display for the visitors - street lights, banners, pipe music, and a dance hand for later that night in the Civic Centre. G. E. Sherman, president of

the Hotels Association, said there was "lots of accommodation' for the out-of-towners. been in service since the beginning of February), she actually [ Here at about 3:30.
