Sales, sales, more sales, cold weather and snow. That is the order of the day for Prince Rupert. The weather man promises that we'll have more of the same. It just could be that the kids will get a chance to use the skiis and toboggans after all. Did you put off getting a sleigh Christmas? Norm at GORDON'S HARDWARE has a good stock of them now, bobs and the larger sizes, and he also has ice skates just waiting to be used when Oliver freezes. Timely sales items from Gordon's Hardware: Coleman heaters — large size, regularly \$123.95, now \$97.50; smaller size, regularly \$79.95, now

\$60.50. There are just the two at this sale price so don't delay too long. If you are looking for a small heater, something to \$ son for deepsea loading. The take the chill off an upstairs bedroom, or any room, then have a look at the General Electric or the smart, compact Markels at Gordon's.

This morning on my way to work I called in to NORTH-WAY UPHOLSTERY. Mogens was arranging furniture and | ject with the Canadian Stevethe star of this show a gold brocade French Provincial chesterfield set that has just been completed in the

shop. It's a two piece beauty, sparkling clear in color and concisely detailed. The cushions are foam padded, and here's a feature, the back is a good height, not one of these sets that catch in the middle of the back. Have you seen the latest in combination chesterfield - bed - contour lounges? Mogens showed me how this unit can be made to a single bed, with handy

compartment for blanket storage, and how it can be converted to a contour lounge. Ideal for a small home. That's at Northway Upholstery, where they have personalized, call at your home, made to measure service for all your drapery requirements.

Now is the time when winter weariness—when the urge to get away from it all hits lots of us. Imagine, being in sunny Mexico tomorrow! It can be arranged easily by visiting PHILIP M. RAY TRAVEL LTD. Or perhaps you have Hawaii or Spain or Scotland or Japan in mind. Worried about where to make connections and where you'll stay? There's no need to give it a second thought. Philip Ray and Peter Lester take care of the whole schedule on your journey, hotel accommodations, everything, right down the line. Not only that, they will assure you of a leisurely vacation trip, or if circumstances require it, they can make your trip swift and comfortable.

The place to call: Philip M. Ray Travel Ltd. Why, oh why, is it that Christmas always comes before the January and February sales? Anyhow, we can still take adventage of the wonderful white sale at SIMPSONS-SEARS. Many of the bedding items in the winter sale catalogue are in stock in the local store. For example wonder-light Acrilan comforters that are regularly \$13.98

are selling for \$10.88. These ex-🚧 quisite, delicately shaded comforters are covered with floral printed was as a received they are machine Wait, now, 'til I tell you about the Tex-made sheet sale. If your preference is a pastel, a stripe pattern, 🔨 😘 a fashion floral design, or a plain 『海海》 white, there is a Tex-made sheet that will lit and also flatter. And the prices are right at Simpsons-Sears, Don't forget the flannellette sheets, pillow cases and the thirsty bath towels that are on sale. No homemaker can have too many. By the way, I noticed that the

TV tables are in stock again. All's egot sale time at FRASER & PAYNE! As Joan says, now is precisely the right time to shop for a winter coat --there is a good variety of materials, styles, and the price range begins at \$19,99. For example: fine wool coats with chamols and fully lined, subdued plaid patterns and houndstooth laminates. Pop in and one of the girls will help you try them on. While you're there you just might as well go 🛂 all out and complete the outfit with a new hat. Hats at Fruser & Payne have all been reduced to \$2.98 and there are lots of charmers in the lot. Don't forget that the girls can show you color co-ordinated gloves and scarves.

Have you seen the Italian Provincial bedroom suite that Min at GORDON & ANDERSON has displayed in the window now? It is a rich satin walnut, three piece set, with bookease bed, five drawer chiffonier and a long, large triple dresser with the dandiest middle section ever, for hats. I asked Min If she wanted to mention the price because I thought, oh, oh, here's an eight or nine hundred dollar set, for sure. Goodness, what a surprise when she said \$208 all told. Who says that everything is more expensive these days? More news from Gordon & Anderson - The new shipment of TV lumps has arrived, all shapes, sizes and styles.
