ORE SHIPMENTS AT LAST MAKE A START

Silver Standard the First with Ten Carloads of Galena as Its Initial Shipment.

Mr. W. E. Duperow, general passenger agent of the Grand to the interior. He states that one of the Hazelton mines, the Silver Standard, will begin shipping ore at once, and that other mines will very shortly be following the same course. He says? the mines around Hazelton are showing up well and the prospects are in favor of very large

ore shipments in the near future Many of the mine owners, he said, had been holding back in their development work until the railway had reached their vicinity, and now they had the facilities for transportation, and a freight rate with which everyone was satisfied, the mining activity of the district would be rapidly pany, and N. J. Ross, superinincreased.

The Silver Standard is start ing with a shipment of ten cars which will be sent to the Trai smelter for treatment.
