CANADIANS MUST HAVE HEAPS OF MONEY FOR BRITISH HOUSE

Enquiries in the lobby at Westminster, however, discredit this story and a prominent member remarked that now that the fiscal question was almost buried the Tory party would never think of asking Dominion members to come here merely to support that propaganda.

Energy, linked with Advertising, has turned the month of January into the biggest selling season for white goods. Advertising rises superior to seasons and thermometers. The right kind of Advertising strikes a responsive cord in human nature—and human nature is the same in August as in December. Advice regarding your advertising problems is available through any recognized Canadian advertising agency...
