ACTION FOR DAMAGES
MAY BE INSTITUTED

Rev. W. H. McLeod Determined to
Get Satisfaction in Alleged Slander Case.

Some interesting developments are expected in the course of a few days in a case of alleged malicious slander against Rev. W. H. McLeod, the retiring pastor of the Baptist Church. Unless a public apology or withdrawal is made by the citizen accused it seems likely that he will be the defendant in a suit for damages.

A few days ago a meeting was arranged between Rev. M. Scott, the acting pastor, and the man in question, at which it is claimed some very damaging statements were made by the latter concerning Mr. McLeod. By arrangement with Mr. Scott, Rev. Mr. McLeod and other members of the Baptist Church were in an adjoining room and at an opportune moment rushed in to the room, when an exciting scene was enacted, in which strong language which could be plainly heard on the street was used.

NEARING PEACE

Balkan Peace Conference Does
Good Work.

Bucharest, Aug. 5.—The Balkan peace conference is making steady progress, but it has been found impossible to have the preliminary peace treaty advanced to a stage to be signed by the time the five days' armistice expires this week. Three days' extension of the treaty has been formally agreed on by the powers concerned.

RETIRING PASTOR IS
GIVEN TESTIMONIAL

Board of First Baptist Church
Expresses Its Confidence in Rev. Mr. McLeod.

A testimonial was presented on Sunday evening to Rev. Warren McLeod, the retiring pastor of the First Baptist Church, by the board of officers of that church. The testimonial expressed the utmost confidence in Rev. Mr. McLeod's integrity and uprightness of character. It runs, in part, as follows:

"In view of the fact that damaging and malicious statements concerning the reputation of our retiring pastor, Rev. Warren H. McLeod, B. A., B. D., have been circulated, covering not only his life in Prince Rupert, but also previous to his coming amongst us;

"And having carefully inquired into these accusations and seen the documents issued by the Baptist churches Bro. McLeod has previously served at Hutchinson, Kansas; Elkhorn, Wisconsin; Humboldt Park, Chicago, Illinois; and the First Church, Woodstock, Ontario;

"Having also heard a statement by Rev. H. G. Estabrook, B. A., the official representative of the Baptist Mission Board for British Columbia, expressing on behalf of the board their fullest confidence in our retiring pastor, as well as his own, he having known him from his youth up;

"We, the members of the board of officers of the First Baptist Church, Prince Rupert, B. C., hereby unanimously place on record that our trust in him is not in the least weakened by these inquiries, but altogether strengthened thereby, and that he goes from us after three years' labor amongst us possessing our absolute confidence, affection and good will."

The board then proceeded to compliment Mr. McLeod, at some length, on the excellent services which he had rendered the church and the good work he had done in raising the moral tone of the community.

The testimonial was signed on behalf of the board by William John Scott, acting pastor; H. M. Daggett, church clerk; J. H. Rogers, trustee, R. J. Abbott, deacon and W. H. W. Murray, chairman of the finance committee.

RULER OF VENEZUELA
TAKES LEAD OF ARMY

The President of That Republic
Will Head Forces Against the Rebels.

Caracas, Aug. 5.—The Venezuelan President, Juan Vicente Gomez, intends to take personal lead of the Venezuelan army operating against Cipriano Castro, whose followers have risen in the provinces of Falcon and Tachia and also in the western districts of Venezuela.

The army veterans and a thousand recruits are being mobilized at Maracay, fifty miles southwest of Capatio, to take the field against the insurgents. They plan to attack Coro and drive out Castro.

The loyal troops will proceed in two divisions, by land and by sea. Another army is being organized at Barquimisto, the capital of the State of Lara, which lies 165 miles southwest of Caracas, which will endeavor to cut off Castro's escape into the interior.

EVERY PROSPECT OF
SUCCESS FOR FAIR

The Local Manufacturers Have
Taken Many Booths—Rush for Space.

Applications for space are already pouring in to the management of the Prince Rupert exhibition, to be held September 24th to 26th. Local manufacturers will be well represented and a number of business houses will have attractive booths. An effective design for the big hall is being worked out, with the colors of the Northern British Columbia Agricultural and Industrial Association—purple and yellow—predominating. The management is desirous of advising all who intend to make business exhibits that formal application must be made in writing at once for the number of feet required. A rate of \$1 per running foot is to be charged for this space, and the management will erect the booths and provide the outside decorative design.

The following local business houses and firms have already signified their intention of putting in exhibits and are applying for space: viz., George Tite, Prince Rupert Importing Company, Parkin-Ward Electric Company, Kaien Hardware Company, Kaien Manufacturing Company, Prince Rupert Automobile Company, Prince Rupert Tent and Awning Company, McRae Bros., C. Orme, McKeen & Hunter, J. J. Walsh, Denny Allen, Fitz' Cigar Store, Little's News Agency and others. The applications for allotments will be entertained in the order of receipt. They must be in not later than Saturday of this week.

Marriage and Crime.

The New York district attorney's office shows that in nine years 18,406 unmarried men and only 7,670 married men have been convicted. But it is to be noted that 40 per cent. of the total were under 20 years of age, and presumably some 10,000 of these were unmarried, so that marriage does not after all appear as such a deterrent, despite Stevenson's sad comment that marriage leaves nothing for a man but to be good.
