

LAND PURCHASE NOTICES.

Take notice that I, Charles H. Flood, occupation free miner, intend to apply to the Hon. Commissioner of lands and works for permission to purchase the following described land: Commencing at a post planted at the northeast corner of A. P. L. reading Lot 130, and Post 2217-2525, thence in a northerly direction along the shore of Hastings Arm 40 chains more or less to the Tac-U-An reservation 40 chains, thence in a westerly direction 80 chains, thence easterly 40 chains to the point of commencement, containing 320 acres more or less.

Take notice that Dora L. Wright, occupation married woman, intends to apply for permission to purchase the following described lands: Commencing at a post planted at the southeast corner of Lot 421, Range 5, Coast District, thence north to chains 40, thence east 20 chains more or less to the west boundary of Lot 5142, thence south 20 chains to the point of commencement, containing 40 acres more or less.

Take notice that Cecil J. Crew, of Port Essington, B. C., occupation banker, intends to apply for permission to purchase the following described lands: Commencing at a post planted one mile south of the southeast corner of Lot 130, Range 5, Coast District, thence south 40 chains, thence east 40 chains, thence north 40 chains to the point of commencement, containing 160 acres more or less.

Take notice that Louis Frank Banville, of Prince Rupert, B. C., occupation railroad, intends to apply for permission to purchase the following described lands: Commencing at a post planted about 20 chains east of the T. P. Railway, on the south side of the track, thence east 60 chains, thence south 20 chains to the bank of Skeena River, thence following the river bank in a westerly and northerly direction to point of commencement, containing 20 acres more or less.

Take notice that Thomas S. Crew, of Port Essington, B. C., occupation banker, intends to apply for permission to purchase the following described lands: Commencing at a post planted about 11 1/2 chains in a northerly direction from the southwest corner of Lot 5149, Range 5, Coast District, thence west 40 chains, thence north 40 chains to the point of commencement, containing 320 acres more or less.

Take notice that Marlon Waugh, of Port Essington, B. C., occupation surveyor, intends to apply for permission to purchase the following described lands: Commencing at a post planted about 20 chains south of the northeast corner of Lot 516, Range 5, Coast District, thence north 40 chains, thence east 40 chains to the point of commencement, containing 160 acres more or less.

Take notice that Arthur O. Crew, of Port Essington, B. C., occupation banker, intends to apply for permission to purchase the following described lands: Commencing at a post planted about 20 chains south of the northeast corner of Lot 516, Range 5, Coast District, thence north 40 chains, thence west 40 chains to the point of commencement, containing 40 acres more or less.

Take notice that James Arthur Brown, of Port Essington, B. C., occupation owner, will apply to the Commissioner of Lands and Works for the approval of the plans of works to be constructed for the utilization of the water from Brown's Creek, No. 24, authorized to take and use for sawmill purposes, and in respect to which second application for a water permit No. 25 is now pending. The sawmill to be situated on Lot 41, Range 5, Coast District.

Application for a license to take and use water will be made under the Water Act of British Columbia as follows: 1. The name of the applicant is B. C. Salt Works, Ltd., F. H. Mobley, agent. 2. The address of the applicant is Prince Rupert, B. C. 3. The name of the stream is Kwintisa River. The stream has its source in mountain range about 5 miles west of the Skeena River, flows in a southeasterly direction into Skeena River about 1 mile south from Kwintisa station. 4. The water is to be diverted from the stream on the south side, about 5,280 feet from mouth. 5. The purpose for which the water will be used is mining and manufacturing. 6. The land on which the water is to be taken is described as follows: Mineral Lands, located adjacent to Lot 74 and Lot 75, Skeena River. 7. The quantity of water applied for is miners' inches. Twelve hundred (1200) miners' inches. 8. This notice was posted on the ground on the 6th day of September, 1913. 9. A copy of this notice and an application therefor, and to the requirements of the Water Act will be filed in the office of the Water Recorder at Prince Rupert, B. C. Objections may be filed with the Water Recorder, or with the Commissioner of Lands and Works, at the Buildings, Victoria, B. C. B. C. SALT WORKS, LTD. By F. H. Mobley, Agent. W-Sept. 1-22

FINEST PASSENGER STEAMER ON FRESH WATER BUILT IN CANADA.

The Noronic, sister ship to the Huronic, of the Northern Navigation line of the R. & O. Company, the picture of which is shown above, is nearing completion at Port Arthur. It has berth accommodation for 600 passengers and seats 288 in the dining saloon.

DESIRE GOVERNMENT TO AID IN BUILDING RAILWAY TO CHISANA

PRESIDENT OF WHITE PASS RAILWAY IN VANCOUVER ADDS TO STATEMENT HE MADE WHILE HERE ON THE SUBJECT.

Vancouver, Oct. 6.—"Provided that development work now being carried on in the White River region in the Yukon warrants us in proceeding with our plan, and that government assistance is forthcoming toward the enterprise, we will extend our line from its present terminus." Announcement to this effect was made this morning by Mr. O. B. Dickson, president of the White Pass & Yukon Route, who arrived from the north on the Princess Sophia, accompanied by Mr. W. B. Close, head of the financial firm of Close Brothers & Company of Chicago and London, and Mr. W. D. Greenough. "With reference to the proposition to extend a railway to the White River district: Our attitude on this question has been definitely stated before. It is to the effect that we would extend our line to that district providing sufficient development work is carried on to prove the value of the region as to the production of tonnage, and further providing that we can obtain reasonable assistance from the government to carry on such an enterprise. "We have had an examination made of the White River region by our mining engineer this year, and we believe that the district holds a bright future. Furthermore, just beyond the White River copper region the Chisana strike has been made, which is bound to lend considerable assistance to any project of this nature. It will take time and considerable capital to work out these problems, but we are

BORDEN GETS TO BE A GOOD FORGOTTER

Congratulates Australia on Naval Unit Though Fighting Against System for Canada.

Ottawa, Oct. 6.—The arrival in home waters of the battleship Australia and the cruiser Sydney of the Australian navy was the occasion of cordial greetings being exchanged between Premier Borden and Hon. Joseph Cook, prime minister of the Australian Commonwealth. Mr. Borden cabled: "The government on behalf of the people of Canada tender their congratulations on the occasion of the official reception of the battleship Australia and the cruiser Sydney. Be assured that Canada stands shoulder to shoulder with Australia and the other overseas dominions in the firm resolve to safeguard our common heritage."

Wire Tappers Make Haul.

New York, Oct. 6.—The police today threw out a dragnet for wire tappers who are said to have fleeced D. S. Curry, a retired business man from Winnipeg, out of \$64,000 on a "sure thing." Curry, former city comptroller of Winnipeg, owns extensive property here and is reputed to be the second richest man in the west.

Mexicans Will Aviate.

New York, Oct. 6.—Eighteen young Mexican cadets have arrived here on their way to Mexico after four months of diligent practice in aviation in the school of the French army at Versailles and will leave soon for Mexico City to form the aerial corps of the federal army.

It sometimes happens that a boy learns some very good habits by not following in the footsteps of his father.

RIOT THREATENED IF GIBSON IS EXECUTED

Final Effort Being Made Before Department to Secure His Reprieve.

Ottawa, Oct. 6.—In a final effort to have Charles Gibson of Toronto escape the gallows, Herbert Lennox, K. C., and Rev. Mr. Laing arrived in Ottawa this morning and will be joined this evening by Sir Henry Pellat and Rev. John McNeill. In view of the largely signed petitions praying for the exercise of clemency, however, the matter will be gone into again. "There will be a riot in Toronto if Gibson is hanged," declared Mr. Lennox. "I have in my possession petitions with exactly 37,458 signatures, and more are on the way."

Montenegrins Mobilize.

Cetinje, Montenegro, Oct. 6.—A partial remobilization of the Montenegrin army was ordered today by royal proclamation. The document says the step has been taken "in consequence of events transpiring on our eastern frontier."

Nothing jolts a woman more when she tells another woman something that has been told her in confidence, than to learn that the other woman knows all about it.

YOU HAVE HEARD OF THE FAMOUS Bulkley Valley. Which contains one of the largest and richest bodies of agricultural land in British Columbia. You have heard of the tremendously rich Babine, Hudson Bay Mountain and Copper River mining districts. The Grand Trunk Pacific is now operating trains from Prince Rupert to a point 301 miles east. The trade centre and future city of this wonderful section is HUBERT—located in the very heart of the Bulkley Valley, and from where branch railroads must be built to open up the great surrounding country. HUBERT is located three miles east of the old towns of Telkwa and Aldermere, both of which will move to the railway. HUBERT is the recognized location for the future city, and has behind it the same organization that created and made Fort George famous.

WRITE TODAY FOR INFORMATION ABOUT THIS FUTURE CITY. MAPS, PLANS AND PHOTOGRAPHS WILL BE SENT FREE.

Official List of Awards in Agricultural and Industrial Departments of Fair

The following is a complete list of the awards made at Prince Rupert's first agricultural and industrial exhibition, with the exception of the awards for minerals, an official list of which has already appeared in these columns. To work out the minor details connected with these awards and to see the prizes were presented to the proper parties took much time, and hence the delay in publication.

- Best collection of not less than three varieties—1, Mrs. Kelch; 2, Mrs. Conant; 3, Mrs. Jennings. Special for preserved plums—1, Mrs. S. W. Dobbie. Special for gooseberries—1, Rev. William Hogan.
