NOTICE OF APPLICATION FOR THE APPROVAL OF PLANS.

Take notice that James Arthur Brown, of Fort Eslington, B. C., sawmill owner, will apply to the Comptroller of Water Rights for the approval of the plans of the works to be constructed for the utilization of the water from Brown's Creek, which the applicant is authorized to use for further purposes, and in respect to which second from said creek (Water Permit No. 25) is now pending. The sawmill is situated on Lot 121, Range 5, Coast District.

The plans and particulars required by the Water Act as amended have been filed with the Comptroller of Water Rights and the Water Recorder at Prince Rupert. Objections to the application may be filed with the Comptroller of Water Rights, Government Buildings, Victoria, B. C., on or before August 1, 1913.

Dated at Prince Rupert, B. C., this 29th day of August, A. D. 1913.

JAMES ARTHUR BROWN, Applicant.

W-Sept. 1-22

WATER NOTICE.

Application for a license to take and use water will be made under the Water Act of British Columbia as follows:

- 1. The name of the applicant is B. C. Salt Works, Ltd., F. H. Mobley, agent.
2. The address of the applicant is Prince Rupert, B. C.
3. The name of the stream is Kwinitsa River.
4. The stream has its source in mountain range about 5 miles west of the Skeena River, flows in a southeasterly direction and empties into Skeena River about 1 mile south from Kwinitsa station.
5. The water is to be diverted from the stream on the south side, about 5,280 feet from mouth.
6. The purpose for which the water will be used is mining and manufacturing.
7. The land on which the water is to be used is described as follows: Mineral claims owned by the B. C. Salt Works, Ltd., and located adjacent to Lot 74 and Lot 75, Skeena River.
8. The quantity of water applied for is as follows: Twelve (12000) inches.
9. This notice was posted on the ground on the 6th day of September, 1913.
10. A copy of this notice and the application thereon, and also the application under the Water Act will be filed in the office of the Water Recorder at Prince Rupert, B. C. Objections may be filed with the said Water Recorder, or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., on or before September 15, 1913.

SALMON BELLIES BEAT UP THE UMPIRE MOST OUTRAGEOUSLY

IT WAS ALDERMAN FRED LYNCH, ONCE A PLAYING MEMBER OF THE NEW WESTMINSTERS, AND SINCE AN EXECUTIVE OFFICER

An incident absolutely unparalleled in Canadian lacrosse says the Vancouver Province, took place after the Minto Cup game at the New Westminster Exhibition on Saturday afternoon when Ald. Fred J. Lynch of New Westminster, who had officiated as referee in the contest, which was won by the champions by a score of 5 to 3, was assaulted in the dressing room of the Westminster club by certain of the players.

Westminster dressing room to change his clothes as usual. He had just got inside the door when one of the Westminster team punched him in the face and several others of the players jumped on to him. In a minute Ald. Lynch was covered with blood and was a sorry looking object. The crowd had not long to wait. The door of the dressing-room was suddenly thrown open and Mr. Keary, jr., emerged. "Hurry up and get a policeman," he shouted. "They're murdering Fred Lynch."

Ald. Lynch was rather severe in his rulings in the game and in the last period of play had occasion to send three of the Westminster players to the penalty box for the remainder of the play. Len Turnbull suffered to the extent of about 17 minutes, G. Spring about 16 minutes and Cliff Spring about 6 minutes. After the game had ended Referee Lynch walked into the

Vancouver team from scoring in the last two periods. This money was naturally not forthcoming when the V. A. C. scored two goals in the last quarter after the champions had been left shorthanded by the rulings of the referee and the loss of the coin may have affected the temper of the players. The case is all the more remarkable when it is considered that Ald. Lynch is not only a citizen of considerable prominence in New Westminster, but was formerly a player of the New Westminster team and has always been very closely associated with the club since in an executive capacity.

TERRACE NOTES. Terrace, Oct. 9.—G. A. Munro left yesterday for New Hazelton. He leaves again for the east on Sunday. Joe Belway was among the arrivals on Wednesday's train. The Progress Club has planned a box social and dance for the evening of the 11th. Messrs. Jack Vigus and Gryder are now prepared to undertake any light hauling or transfer business. They are operating as the Terrace Transfer.

MOST WONDERFUL MURDER TALE EVER TOLD BY ANY MURDERER

UNPARALLELED CONFESSION OR BOAST OF MAN ARRESTED IN CHICAGO FOR ONE MURDER WHO OWNS UP TO TWENTY

The Chicago police on Friday last arrested a man named Henry Spencer for the murder of Mrs. Mildred Allison-Rexroat, a dancing instructor. Very shortly after his arrest he said to his captors: "My head is as clear as a bell. You have got me dead to rights on the Rexroat murder, and I know I shall be hanged in a couple of months. That's why I want to tell everything else and get it out of the way. I wanted to tell all and then be treated decently until they pull the rope."

Former wife, near Walkerville, Ont., beaten to death in woods. Robbed of \$300 and diamonds worth \$800 former maid to Helen Gould. Aged man in Washington Park last spring; shot and thrown into lagoon. Got \$200 in cash. Two girls at Delavan Lake, Wis., in June. Killed with hammer and bodies thrown in lake. Woman in house near Cook County Hospital. Used hammer and burned clothes. Got \$160 and rings. Woman in house at Fulton and Halstead streets, about eight months ago. Used hammer and burned clothes. Robbed house. Saloonkeeper on Vanburen street, near Aberdeen. Shot man and wounded wife while robbing saloon. Man shot and killed in alley under South Side elevated about a year ago. Ida Oliver, killed with hammer November 9, 1912. Body thrown into drainage canal and discovered May 29, 1913. Mrs. Mildred Allison-Rexroat shot near Wayne, September 25, and body placed on railroad track. Unknown man and wife killed at Fox Lake, Ill., on September 11, 1911, and bodies thrown in lake. Unknown man who brushed against at Forty-second street and Indiana avenue last spring. Shot, body dragged into alley and robbed. Saloonkeeper in Park Row killed about two months ago and robbed. The man who claims this almost unbelievable record is a Chicago product. He does not know his real name and the first he remembered he was in the home for the friendless, located within a block of the scene of his arrest. He has spent his last twenty years in the state prison at Joliet. He was sentenced twice for robberies and was returned twice following violation of paroles. After the long siege of questioning by the police he put his

The proceeds of Spencer's crimes have amounted to \$10,000 in the last year, according to his confession. He says he does not drink or use tobacco and that he has spent the money in the Twenty-second street district, where he said he has been a big spender in the cafes. "I killed Mrs. Rexroat because she was trying to make a sucker out of me," he said at the beginning of his confession. He then went on to recount about twenty murders, and the police have since verified his statements in a number of cases. Among the people Spencer says he sent to their graves are: One of two farmers shot near Zion City, Ill., in the spring of 1903; Peter Widermier, one of the car barn bandits who afterwards was hanged, killed the other one, he said; obtained \$560. Policemen Timothy Devine and Charles Pennell, shot in August, 1912, when they surprised Spencer and a man named Murphy breaking into a house. Murphy is now dead. Fannie Thompson, body found January 1, 1908, gagged and bound in bed in a Michigan rooming house, robbed of diamonds worth \$1,200.

GOLD FOUND IN THE HEART OF PORTLAND

City is Possessor of a Mint Much More Valuable Than Alderman Morrissey's.

Portland, Ore., Oct. 6.—Gold bearing gravel assaying \$1,092 to the ton has been found by city workmen in Mount Tabor Park, and as a result Commissioner of Public Works Brewster has ordered a guard placed around the property until the extent of the find can be ascertained. The gold was discovered when workmen in the roadway through the park struck sand and gravel. In digging through this an amount of yellowish substance was uncovered, and when seen by the workmen all made a dive for it. An assay was made a few days ago but the matter was kept secret until the park department could get the situation in hand before making it public.

WHO IS TO BLAME? How a Government Job is Being Jobbed at Bella Coola.

The story of how tenders were called for the building of a lock-up and constable's quarters at Bella Coola as long ago as last May, and how the public works engineer sent a certain firm's tender to the local road superintendent for him to report upon. How—as it so happened—this latter official reported adversely and finally how his work is now being held as a winter's job for certain persons on the inside is now too well known to need repetition. Enough for us to say that apart from a little work done toward clearing the proposed site, Bella Coola is as far from having a lockup as it ever was.—Bella Coola Courier.

If a man is always making new friends it's a sign his old friends are on to him.

hands to his head and said: "I am too tired to remember any more just now. I got to have some sleep. Maybe when I am rested I can remember some more. The truth is I killed so many I can't remember all of them."

YOU HAVE HEARD OF THE FAMOUS Bulkley Valley

Which contains one of the largest and richest bodies of agricultural land in British Columbia. You have heard of the tremendously rich Babine, Hudson Bay Mountain and Copper River mining districts. The Grand Trunk Pacific is now operating trains from Prince Rupert to a point 301 miles east. The trade centre and future city of this wonderful section is HUBERT—located in the very heart of the Bulkley Valley, and from where branch railroads must be built to open up the great surrounding country. HUBERT is located three miles east of the old towns of Telkwa and Aldermere, both of which will move to the railway. HUBERT is the recognized location for the future city, and has behind it the same organization that created and made Fort George famous.
