DISPOSAL OF BUILDINGS

Residence on New Post Office Site May be Torn Down

Lee Baker, who purchased the two buildings on the site of the permanent post office, has not yet decided as to how he will dispose of the building occupied by C. E. Bainter as a residence. He may decide to tear it down rather than attempt to move it. The large number of light and telephone wires would interfere with the removal. The other building is now being demolished.

Just as soon as the buildings are out of the way, the work of excavation will begin.

The Venture, of the Union Steamship Co., arrived in port about 11.30 last night. Yesterday afternoon Mr. Jardine, manager of the Prince Rupert branch of Kelly, Douglas & Co., received a wire from the head office stating that their stock was not damaged by fire and that they are able to do business as usual.

DIED AT OTTAWA

Funeral of W. W. Leach, Well-Known in B.C., Takes Place Today

Miss Johnstone received a telegram this morning advising her of the death at Ottawa of her brother-in-law, Mr. W. W. Leach of the Dominion Geological Survey. Deceased, who was about 40 years of age, was the oldest son of David Leach, and a grandson of Rev. Archdeacon Leach, for many years rector of St. George's Cathedral at Montreal. Deceased stood very high as a geologist and was well known all through British Columbia where he had done a great deal of geological work. The funeral takes piace today, interment in the family plot at Montreal.

The bereaved widow is a daughter of John Johnstone, city treasurer of Vancouver. Although deceased had been ailing for some months the news of his demise came quite unexpectedly to Miss Johnstone, who will have the sympathy of many friends in this city.
