FLEEING MAN SHOT DEAD BY SPECIAL CONSTABLE

VICTORIA HALFBACK KILLED ON FOOTBALL FIELD---TUG ESCORT AND BARGE GEORGIA SAFE

PROBABLY DEMENTED MAN SHOT DEAD AS ONE OF BANK ROBBERS

IT IS SAID HE WAS CHASED BY HALF BREED SPECIAL CONSTABLE, WHO SHOT THE MAN DEAD NEAR SKEENA CROSSING.

One victim has fallen to the deadly aim of the special constables scattered over the country in their search of the New Hazelton bank robbers. That he was an innocent and probably demented man appears to be the truth from the meagre reports of the affair brought down by the passengers from New Hazelton on yesterday's train. The victim is dead, shot through the lungs by a special constable who took a pot shot at him when the man refused to stop. The dead man is supposed to be a Finn who has been working for the railroad contractors in New Hazelton. He disappeared from his boarding house a week ago, and his chum believed him to be temporarily unbalanced mentally. He has a pay check

NE TEMERE DECREE HAS RUNG THE DEATH KNEEL OF DIVORCE

REV. FATHER BUNOZ DEFENDS HIS CHURCH LAW---REPLIES TO CRITICISM OF REV. F. W. KERR---WHAT ABOUT THE TEA PARTIES?

"Does anyone know of a home in British Columbia that has been broken by the Ne Temere decree? If they do I would like to hear of it. I will expand that remark to include all of Canada and the United States. The death knell of divorce is rung by the Ne Temere." This was a pointed statement by Rev. Father Bunoz in his lecture last night on the defence of the Ne Temere and a reply to the criticism of the Catholic Church made by Rev. F. W. Kerr one week previous.

Father Bunoz said he approached the subject with reluctance for while he was always glad to explain the doctrines, the practices and laws of the R. C. church, this was the first time he had been called upon to reply to unjust criticism from a Christian pulpit. The criticism had been in bad taste and unprofessional. So far as the church was concerned it was like a pellet thrown against the rock of Gibraltar. Prince Rupert is a community of many creeds and no creeds, with people from various nations and of many languages. Anyone who would break up the good relations existing between the various elements in the city is not working for the good of the city. What has the R. C. church done in Prince Rupert to cause religious animosity? The priests are far too busy to bother with the

TUG ESCORT NO. 2 AND BARGE GEORGIA SAFE

Adrift in Queen Charlotte Sound Rescued by ss. Chicago and Govt. Boat Estevan

The G. T. P. tug Escort No. 2 and the Barge Georgia which was reported adrift in Queen Charlotte Sound on Saturday night are now safely at anchor at Albert Bay. The tug was picked up by the ss. Chicago on Saturday, but the barge could not be found. Later the Escort and government boat Estevan started in search of her and the Estevan picked her up this morning.

For a time there was much concern over the safety of Capt. Bradley and his assistant on board the barge, for while she is a stout craft there was grave danger of her going ashore. The tug and barge left here last Sunday after bringing several cars up for use on the railway. Two empty cars were aboard the barge for the return trip.

Both these craft were formerly owned by McKenzie Bros. from whom they were purchased by the Grand Trunk. They have been serving as a car ferry for some years.

MODERN IRISH DRAMA

Realistic Shipwreck Scene and Battle With the Rioters

Just at the moment when Irish affairs occupy so prominent a position in the newspapers and in public discussion, the Westholme Opera House is putting on a three-reel feature entitled "The Heart of Kathleen." This will be seen tonight and tomorrow night and as it is an entirely modern Irish romance it shows conditions as they are in Ireland today, including an exciting riot scene in the third reel that recalls the descriptions read of the recent scenes that have taken place in the streets of Dublin among the starving strikers. There is also a realistic shipwreck scene, and the domestic part of the drama is as full of native wit and the droll action which has to carry it as one can imagine an Irish play to be. To follow it there is an exuberantly funny Thanhauser comedy entitled "Willie the Wild Man," and a better evening's entertainment has rarely had the good fortune to offer.

FOOTBALL PLAYER IS KILLED AT ALL BLACK VICTORIA GAME

FULLBACK OF VICTORIA TEAM GETS KICKED ON HEAD AND DIES ALMOST INSTANTANEOUSLY—VANCOUVER GAME CONSEQUENTLY CANCELLED

(Special to The Daily News.)
Victoria, Nov. 24.—By a grievous chance the victorious tour of the New Zealand All Black Rugby team has practically ended in a tragedy. The team had played all the coast universities, and in but one or two instances had these teams been able to score at all. The New Zealand team, after playing here was to play at Vancouver on Tuesday and then return home with its kit full of honors. During the game played Saturday afternoon between the All Blacks and a local team of fifteen, Ogden, the Victoria full back, in a sharp scrimmage, got kicked on the head. He died while being carried off the field. What action, if any, will be taken will not be known until after the holding of the inquest. The score for the match was 35 to 0 in favor of the All Blacks.

Vancouver, Nov. 23.—As a result of the tragic ending of the football game in Victoria Saturday, the match scheduled between the All Vancouver team and the New Zealand players for tomorrow has been cancelled.

BURGLARS WERE BUSY SUNDAY NIGHT BUT GOT LITTLE LOOT

ENTRIES WERE ATTEMPTED AT FIVE PLACES AND FOUR WERE ENTERED SO FAR AS AT PRESENT REPORTED TO THE POLICE

At four o'clock on Sunday morning the police were called up and informed that the glass in the door of J. A. Kirkpatrick's store on Sixth Street had been smashed and that it looked as if a burglary had been attempted. The police were on the scene in short order and found that a burglarious entry had been made and that the till had been forced open. Mr. Kirkpatrick was communicated with and on his taking stock later found nothing missing but the contents of the till, amounting to \$7.

The police next found that the next store, that of Charles J. Keithly on the corner, had also been broken into, and upon this they started upon a general investigation. It transpired that Mr. Keithly had emptied his till on Saturday night, so he lost no cash.

Across the street on Second Avenue the store of I. Grossman was discovered to have been broken into. From there the burglars carried away several small pieces of jewelry and \$2 in cash.

It was evident that a determined attempt had been made to break into the Bryant clothing store on Sixth Street, but that the thieves had been probably interrupted before they accomplished their purpose.

At the new department store of Pride, Nash & Co., corner of 6th Street and 3rd Avenue, the attempt to break in was successful but the robbers, as far as known, had their trouble for nothing. This ends the series so far reported.

During yesterday several suspects were placed under arrest, and are being held for further developments.
