A CHANCE TO WIN \$25.00

I will forfeit the above amount if there is any stove in Prince Rupert that I cannot cause to give perfect efficiency in heating its hot water tank without any increase in fuel or in any way effecting its baking qualities. My device is new in this city although I have installed quite a few. Don't wait hours for your hot water. Get my device and enjoy satisfaction. The price is very reasonable.

Believes in Newspapers

London, Dec. 19.—A newspaper advertising campaign for recruits to the British army is to be undertaken in all parts of the country. The war office has become convinced of the value of the newspapers as a medium, and has placed a contract with the head of a regular advertising agency to conduct a campaign during the next year on a large scale. Some 40,000 men are wanted.

Prince George Lots

are making money for local investors. The rails will be laid to Prince George early next month, and with them will come an increase in values. Don't wait until spring and say: "That lot is worth \$2000 and I could have bought it six months ago for \$1000." Get in now, before the boom.

I am offering the unsold portion of the Grand Trunk Pacific Development Company's lots at Auction Sale Prices.

The usual terms of a quarter cash, and the balance in one, two and three years at 6 per cent.

Farmers to Co-operate

Toronto, Dec. 17.—A delegation of western farmers have waited on the Dominion Grange convention, asking them to assist in arranging for the co-operation of farmers east and west. The idea is to enable the farmers of the east to exchange products with the farmers of the west and thus enable them to buy cheaper as well as to eliminate the dictatorship of the exorbitant and grasping middlemen and exploiters.

The Beautiful Rain

The following is taken from an exchange — no local reference at all:
The rain is such a beautiful thing
I said to a friend whom I loved quite well,
But he looked at me with a stony eye
And all that he said was "Is it?"
It maketh the beautiful grass to grow
And all of the flowers to smell.
We could't exist without rain, you know,
And all that he said was:
"Couldn't we."

ENGLISH HAND-MADE LACE

MADE BY THE COTTAGERS OF BUCKINGHAMSHIRE.

This is the old-fashioned lace made on the cushion, and was first introduced into England by the Flemish Refugees. It is still made by the village women in their quaint old way.

Our Laces were awarded the Gold Medal at the Festival of Empire and Imperial Exhibition, Crystal Palace, LONDON, ENGLAND, for general excellence of workmanship.

BUY some of this hand-made Pillow Lace, it lasts MANY times longer than machine made variety, and imparts an air of distinction to the possessor, at the same time supporting the village-lace-makers, bringing them little comforts otherwise unobtainable on an agricultural man's wage. Write for descriptive little treatise, entitled "The Pride of North Bucks," containing 200 striking examples of the lace makers' art, and is sent post-free to any part of the world. Lace for every purpose can be obtained, and within reach of the most modest purse.

Collars, Fronts, Plaques, Jabots, Yokes, Fichus, Berthes, Handkerchiefs, Stockings, Camisoles, Chemise Sets, Tea Cloths, Table Centres, D'oyles, Mats, Medallions, Quaker and Peter Pan Sets, etc., from 25c. Doz. \$1.00 \$1.50, \$2.00, up to \$5.00 each. Over 800 designs in yard lace and insertion from 10c. 15c. 20c. 45c. up to \$8.00 per yard.

IRISH CROCHET. Mrs. Armstrong having over 100 Irish peasant girls connected with her industry, some beautiful samples of Irish hand-made lace may be obtained. All work being sold direct from the lace-makers, both the workers and customers derive great advantage.

I'm the man who puts Uniformity into ROYAL STANDARD

I came to Vancouver from the largest mill in the world. My sole job is to test ROYAL STANDARD products day in and day out. I do my work so well that a poor sack of ROYAL STANDARD is impossible.

I first test in my laboratory the choicest samples I can

procure of Canada's bumper wheat crop. Then I make bread from each. Only when delicious bread results—light, white and velvety—do I order wheat like my samples. My vigilance never relaxes. The delicious uniformity of ROYAL STANDARD never varies.
