satisfactory.

Rank imposes obligations—

or—as the French put it—"Noblesse Oblige."

It is a very natural and right principle that those who

by their position in life command the respect of others

should deserve it and be worthy of maintaining their

position. "Much is expected of those in high station."

For the principle of "Noblesse Oblige" is

your guarantee of excellence in Advertised Goods.

If you are doing a local business talk over your advertising prob-

If you are doing a provincial or national business it would be well

for you to have the counsel and assistance of a good advertising

agency. A list of these will be furnished, without cost or obliga-

tion, by the Secretary of Canadian Press Association, Room 503,

lems with the Advertising Department of this newspaper.

But this principle is not con-

fined to persons of noble birth

-it has a hundred applica-

tions. It applies, for example,

to those manufacturers of

reputation and prestige who

make goods of high quality

and who advertise them con-

stantly in the newspapers of

By their advertising they have

attained an eminence where

the very best in quality and

good service is expected of

PRINTING

Summer is over and the Fall trade has begun. To get your share you must have some sort of printed matter-a circular, folder, booklet or catalogue. Be sure to have that work done properly. You would not send out a shabby salesman to represent you; then don't make the mistake of sending out a poorly printed circular or booklet. We are QUALITY PRINTERS and can produce a piece of printed matter that you would be proud of and which will get results. Try us. Phone 98.
