ENGLISH HAND-MADE LACE

MADE BY THE COTTAGERS OF BUCKINGHAMSHIRE.

This is the old-fashioned lace made on the cushion, and was first introduced into England by the Flemish Refugees. It is still made by the village women in their quaint old way.

Our Laces were awarded the Gold Medal at the Festival of Empire and Imperial Exhibition, Crystal Palace, LONDON, ENGLAND, for general excellence of workmanship.

BUY some of this hand-made Pillow Lace, it lasts many times longer than machine made variety, and imparts an air of distinction to the possessor, at the same time supporting the village lace-makers, bringing them little comforts otherwise unobtainable on an agricultural man's wage. Write for descriptive little treatise, entitled "The Pride of North Bucks," containing 200 striking examples of the lace makers' art, and is sent post free to any part of the world. Lace for every purpose can be obtained, and within reach of the most modest purse.

Collars, Fronts, Plaques, Jabots, Yokes, Fichus, Berthes, Handkerchiefs, Stocks, Camisoles, Chemise Sets, Tea Cloths, Table Centres, D'oyles, Mats, Medallions, Quaker and Peter Pan Sets, etc., from 35c. 60c., \$1.00, \$1.50, \$2.00 up to \$5.00 each. Over 300 designs in yard lace and insertion from 10c. 15c. 25c., 45c., up to \$3.00 per yard.

COLLAR—Pure Linen. \$1.00.
DAINTY HANDKIE—70c. No. 910.—Lace 1 1/2 in. deep.

IRISH CROCHET. Mrs. Armstrong having over 100 Irish peasant girls connected with her industry, some beautiful examples of Irish hand made lace may be obtained. All work being sold direct from the lace-makers, both the workers and customers derive great advantage.

(1 1/2 in. deep.) STOCK—Wheel Design. Price 25c. each. (Half shown.) No. 122.—50c. per yard.

Mrs. Rupert Armstrong, Olney, Bucks., England

NEW PLACER STRIKE ON GERCHELL RIVER

Men on Trail Reported Stealing Dogs to Start for Discovery

Seattle, Feb. 4.—Reports of a placer strike of uncertain richness on the Gerchell River, in the upper Tanana valley, were given out yesterday by Mr. W. P. Blanchfield, an Alaskan freighter. Mr. Blanchfield left for the north after spending several days in Seattle buying goods to take into Fairbanks. According to the report the discovery was made on a stream emptying into the Tanana river on the left limit, about half way between Tanana Crossing and the mouth of Healy river.

Coarse gold is said to have been found by prospectors who struck out for the hills from Tanana Crossing late last fall after being marooned on the way to the Chisana from Fairbanks. Mr. Blanchfield said that men along the trail were stealing dogs in order to start for the scene of the reported discovery.

Seattle, Feb. 4.—A few minutes before the steamer Mariposa, of the Alaska Steamship Company, sailed from Seattle for Alaska ports, steamship men summoned to appear in the United States district court at Juneau in the Humboldt, or so-called Alaska transportation, cases, set for trial on Feb. 5, were notified by cable that the cases had been postponed and that their presence would not be required for a time at least.

There was quite an array of steamship talent on the pier all in readiness to go aboard the Mariposa when the cablegrams were received.

Van Anda Will Rebuild

Van Anda, Feb. 4.—Local residents whose business interests escaped destruction in the fire which destroyed much of the business portion Tuesday night, have united in a common effort to relieve the distress of those who were made destitute by the conflagration. Already plans are being considered for the rebuilding of the store in which the fire started, and the post office, the telegraph office, drug store and pool room, to which the fire spread. The miners' union hall, sacrificed with dynamite to prevent further fire loss, probably will be one of the first buildings to be replaced. Much assistance has been received from Powell River and other nearby places.
