"The Clothes Shop for Men"

I'm the man who puts Uniformity into ROYAL STANDARD

I came to Vancouver from the largest mill in the world. My sole job is to test ROYAL STANDARD products day in and day out. I do my work so well that a poor sack of ROYAL STANDARD is impossible.

I first test in my laboratory the choicest samples I can

procure of Canada's bumper wheat crop. Then I make bread from each. Only when delicious bread results --- light, white and velvety---do I order wheat like my samples. My vigilance never relaxes. The delicious uniformity of ROYAL STANDARD never varies.
