the province. It is growing in population faster than any other part of the province and probably before the next electoin will have sufficient population to warrant two members instead

According to a despatch

from Ottawa, the carving up

of the B. C. constituencies

to work in six new members

has commenced. On the

present draft Vancouver

gets two members at large,

North Vancouver and dis-

trict one and South Van-

couver one. New Westmin-

ster one, the Delta one.

Vancouver Island will get

three members instead of

two. Yale-Cariboo will be

divzided in two and Kootenay

will remain the same. The

Skeena and Atlin district

will have one member. This

distribution merely cuts Co-

mox off the present constit-

uency. It will leave it as

probably the biggest con-

stituency territroially in the

Dominion and one which
