 "Hill-grown" tea has the small, tender leaves—with full, rich, delicious fragrance, redolent of the spicy tropics.

"SALADA"

Tea is grown high up on the mountains of Ceylon—with its native delicacy and fragrance held captive in the sealed lead packages.

The Finest Wheat in the World

harvested under the sunny skies of Alberta and Saskatchewan is selected for ROYAL STANDARD FLOUR. Wheat bursting with goodness, poured in a golden stream into our elevators. Washed, scoured, polished, ground, many times over and over, untouched by the human hand; finally sifted through silk mesh until it emerges ROYAL STANDARD—sweet and soft as the breath of harvest. MORE GOOD PICTURES

At the Westholme Opera House Tonight

The standing room only sign was out again at the Westholme theatre Saturday evening and a better pleased audience would be hard to find. The Keystone racing comedy was exuberantly funny and produced a continuous roar of laughter. Peggy of the Polly P. is a comedy of a lighter character but very pleasing and satisfactory. The two-reel Broncho feature "Silent Heroes" was also good and altogether the programme was a most satisfactory one. Tonight another fine show will be given in this theatre. There will be a Keystone comedy, a British Gazette, a refined comedy "The Other Woman" and a two reel Reliance feature, "Hearts." Tomorrow night there will be no picture show, on account of the St. Patrick's concert being held in the theatre. Wednesday and Thursday the great 4-reel Thant-houser feature "Moths" will be shown, together with a fine Keystone comedy and Weekly Gazette.
