Canadian General Machinery

A telegram has been received from the light superintendent. who went to consult Engineer Ross of Seattle, recommending the acceptance of the Canadian General's tender for the hydroelectric machinery. The comimitted reported suggesting the tender be accepted. The mayor produced another telgram at the ity council meeting on Monday ********************** night from the rival firm, pointing out that their tender was \$18140 cheaper. He suggested vaiting until the superintendent came home, but the aldermen decided to accept the recommended tender at once.

THE BRIGHTLY PAINTED PRIDE OF OTHER DAYS

The trim little wood-burner, the Mono, for several years the pride of the old narrow-gauge Toronto, Grey and Bruce railway (now the C. P. R. Owen Sound division). The Mono, it is said, once made the run of 122 miles over the line in 148 minutes, or 50 miles an hour. This holds the record for the line. Owing to the many curves, no engineer of a heavy modern locomotive would attempt to break that record on that branch.
