Royal Standard Sweet Muffins

No. 4—Cut Out and Paste in Recipe Book.

- 3/4 cups Royal Standard. 1/2 cup sugar. 2 eggs. 2 teaspoonfuls baking powder. 1 1/2 cups milk. 3 tablespoon melted butter. A little salt. Bake in cups or gem pans.

BETTY BROWN.

"Do you know the muffin man? Do you know his name? Do you know the muffin man Who lives in Drury Lane?"

Do you remember chanting this doggerel when you were THAT high? How good those muffins tasted!

But now-a-days it is not necessary to have a speaking acquaintance with the Drury Lane celebrity to obtain good muffins. You can beat his wares hollow by making them with ROYAL STANDARD FLOUR. He, poor fellow, had to be content with any flour he could get. The recipe quoted is more popular than his.

If you are out of "flour," ask your grocer for a sack of ROYAL STANDARD—your "buy word" for the best.

THE BIG THREE OF CENTRAL B.C.

NEW HAZELTON Centre of the richest mining district in Canada. Gateway to the Groundhog Anthracite coal fields. At the junction of waterways where the lines of trade meet. Future absolutely assured.

HUBERT Trade centre of the Bulkley Valley. So strategically situated that all branch railway lines will be built from that point. Has no possible competitor for trade of that rich territory lying between Fort George and New Hazelton.

FORT GEORGE is in a class by itself. No city in Western Canada with the possible exception of Winnipeg or Vancouver will outstrip Fort George's growth in population and development. No city on the continent has more natural advantages than Fort George.

When you seek opportunities for business or investment, you must be sure of the location of the MAIN BUSINESS CENTRES. INVESTIGATION will prove to you that Fort George, Hubert and New Hazelton are so strategically located that they will overshadow all other towns in Central, Northern British Columbia and the PEACE RIVER DISTRICT.
