LACROSSE THE RING FOOTBALL **SPORT** BASEBALL LAWN TENNIS HOCKEY

Freddie Welsh is the only man that Ritchie has to beat now.

A New York writer rises to remark that in case pugilism is ever abolished in New York state, the fans can find solace for their saddened souls by going to watch the Canadian teams engaged in the gentle pastime of hockey.

Georges Carpentier the French champion, has signed articles for a twenty-round contest with "Gunboat" Smith, for a stake of \$25,000 offered by Dick Burge, and a side bet of \$2,500. The fight is to take place in June at London.

A letter received from Joe Bayley indicates that the Victoria lightweight will remain in California for some time. Bayley is being handled by Jimmy Britt, and the latter is anxious to secure a return bout with Willie Hoppe for the Canuck lightweight. Another match

OUTFIELDER "TODY" KROY

Who rose to great fame towards the end of last season with Toronto International league team, and whose work in training has been uniformly good.

that is looming up for Bayley is a return bout with Frenchie Vaise over the four-round route at Seattle.

According to the New York Evening Sun, Ritchie wants \$15,000 to box Welsh in Frisco on July 4. He is willing to go 20 rounds, but will reserve the right to name his own weight, not less than 135 pounds. Later on he may insist on choosing the kind of gloves he wants, the latter being exempt from examination, a reasonable space of time between counts should the referee be compelled to count during a knock-down, and a few other things.

CHAMPIONS OF TEMISKAMING BOWLING LEAGUE

New Liskehard Bowling Team, champions of Temiskaming League, who finished in the money in the A. B. C. tournament in Buffalo. They were second in the list of seventeen Canadian competitors. Top row, left to right—Jay Perault, Prescott Woodward, Ernest Lapointe, Wm. Froggett. Bottom row—S. S. Ritchie, J. J. Solomon, Chas. Wilder.

Connie Mack and Stuggsy McGraw are having a hard time getting their pennant winners licked into shape.

And now they want ten-man lacrosse in the east. If they could not win the Minto cup with twelve men what are their chances with ten?

"Toots" Schultz, who was purchased by the Detroit club from the Vancouver Northwest-ern league team last fall, has been returned to the minors. He will return to Vancouver.

"Harlem Tommy" Murphy, who was defeated by Willie Ritchie, the lightweight champion, has been matched for a twenty-round bout at San Francisco in June with Freddie Welsh, the British champion. The date will be fixed later.

King George has intimated his intention of witnessing the final match between Liverpool and Burnley for the English cup, which takes place today. This will be the first important association game to be witnessed by the king, the attendance of his majesty having been hitherto confined to Rugby contests between the army and navy. His majesty's visit to the Crystal palace will be immensely popular, and will revive public interest, which waned owing to the purely Lancastrian character of the contest, both Liverpool and Burnley being in the North of England county of Lancashire.

Enduring the cold waters of Elliott bay, Seattle, for one hour and thirty-five minutes, Henry Hanson, a young German butcher in the employ of Barton & Co., successfully swam the harbor Sunday from West Seattle to the Spring street float, establishing a record and accomplishing a feat that cost the world-renowned swimmer Arthur Cavill his life six weeks ago. Hanson is 22 years old, and only his superb condition and youth made the attempt successful. When taken from the water his skin was icy and his circulation almost stopped, and it was plain that had his physique and stamina been less the swim would have resulted fatally.

News comes from England that Owen Moran has contracted tuberculosis and it is feared he has but a short time to live. Moran's last appearance in New York was with Young Shure at Madison Square garden last January. At that time the clever

little Englishman showed that there was something amiss with him, as he was forced to stop after boxing seven rounds. Next to Jem Driscoll, Moran was probably the best featherweight England ever sent to America. He held Abe Attell even in three hard battles when the American champion was at his best. Owen has also the distinction of being the only boxer to make Battling Nelson take the count. This happened in 1910 at San Francisco.

When the opening game of professional lacrosse in the B. C. L. A. is staged at New Westminster on Victoria day, May 25, and the Westminster twelve meets the Vancouver Athletics, the famous Salmonbellies will take the field with a change from last year's lineup. Although it has been persistently rumored that some of the Westminster pros would journey to the east this year, the twelve have all signed contracts to play in the Royal City during the coming season, according to Secretary Dave Gilchrist of the New Westminster club. The famous twelve are: Bun Clark, Johnny Howard, Buck Marshall, Hughie Rennie, Tom Rennie, Hughie Gifford, Pat Feeney, Bill Turnbull, I. Wintemute, Gordon Spring, Cliff Spring and Len Turnbull. George Rennie will act as manager in place of the former manager, Tommy Gifford, whose resignation was recently accepted by the club.

Same Old Story

Many teams are claiming the pennant. They say, "We'll cop that rag!" But we've heard this same tune; It lasts until June. And the two Maes get all the swag.
