LACROSSE THE RING FOOTBALL

SPORT

BASEBALL LAWN TENNIS HOCKEY

Because of his gift of control, Christy Mathewson can justly be called the right-handed Plank.

One thing has been proved this season: Detroit can win games without Ty Cobb hitting.

Fighting at long range, Willie Ritchie would be a valuable man for the United States army in Mexico right now.

England is having just as much trouble in selecting a polo team as some Canadian lacrosse teams are experiencing in securing players.

Battling Nelson wants to enlist against the Mexicans, but, of course, they'll have to make weight for him. We have a mental picture on the Texas border. First thing he'd do would be to count the house before the battle.

The Smithers football team defeated Telkwa this week by two goals to nil. Both teams played good football, and the Telkwa supporters attribute their defeat to the superior kicking of Hetherington, and the excellent goalkeeping of Miller of the Smithers team.

Not satisfied with their defeat at the hands of the Ladies auxiliary, the St. Andrew's basketball team are endeavoring to arrange a return game for the coming week. The ladies will no doubt accept the challenge, as they are quite confident they can repeat.

By their defeat of Spokane yesterday the Vancouver ball team takes a comfortable lead in the Northwestern league. Victoria and Portland are running a neck and neck race for the cellar position. Victoria will have to add to her twirling staff before she can hope to make a showing.

The Vancouver Athletics have secured the services of Boss Johnson, the star custodian of the Victoria team for several years, in their attempt to remove the Minto cup from the banks of the Fraser river. Mickey Ions has also decided to turn out along with Pickering and play for the Athletics, strengthening up the defense.

Ty Cobb leaped from thirty-eighth place to thirteenth among the American league batters last week, according to averages just published. The Detroit star has a percentage of .307, as against .249, which the records showed for him the previous week. His rival, Joe Jackson of Cleveland, has taken the lead, batting at a rate of .414.

Who will box 15 rounds with "Rough House" Burns on the evening of May 25th.

It is rumored in New York baseball circles that Christy Mathewson will manage the St. Louis Nationals next season.

At a meeting of the representatives of the Vancouver and New Westminster lacrosse clubs held this week, it was agreed to have a fifty-fifty per cent split on all gates this season.

Vancouver will defend the Mann cup against the Calgary Chinooks on May 23 and 26 at Athletic park. The dates were fixed this week.

Harry Pickering, the star defence fielder of the old Vancouver Lacrosse club, has turned down offers from the Big Four clubs of eastern Canada, and signed a 1914 contract with the Athletics of Vancouver.

Kamloops and Kelowna are getting off to a good start in the interior baseball league. Years ago, before the advent of professional ball in British Columbia, Kamloops had a team second to none on the Pacific coast. In those days in B. C. such men as Hermcher, Watson, McCrum and Borthwick were stars in the baseball world. Joe McCrum is still pulling of a few plays in Kamloops, but not at baseball.

Hal Beasley, Victoria's crack sprinter, is thinking of retiring from track sports for the year. He has stated that it was quite possible he would discontinue active participation in the running game for the time being and take a thorough rest. Beasley has suffered from several illnesses in the past few months, and only this week came out of the hospital after a minor operation.

A five-team football league will in all probability be started within the next ten days. Arrangements are now being perfected and a meeting will be held tonight when a schedule will be

are: G. T. P. machine shops, shopkeepers, steamship Prince Rupert, steamer Prince George, Callies, and a team from the dry dock. With baseball and football going strong, there should be no want of sport during the summer months.

At the conclusion of the basketball game on Thursday night between the Ladies Auxiliary and the St. Andrew's team, W. A. Willisroft was presented with a fountain pen as a slight token from the ladies for his efforts as instructor of the Auxiliary basketball team. To "Bill," also, is largely due the credit for the strong showing made by the Callies in the recent basketball league.

COLTS WON THE FIRST GAME OF CITY LEAGUE

McAleenan's Small Boys Were Too Much for the Terminals

The first of the games in the city baseball league was played last evening in drizzling rain. It was an easy victory for McAleenan's Colts, who outplayed the elder boys of the Terminal team at every position. The score was 14 to 3, five innings.

The battery for the Colts was particularly effective and promising to develop something pretty good. Valpey, the pitcher, had good control and Mason, the catcher, could hold him and watch the bases too. Anderson showed up well at second, and also at the bat.

For the Terminals Beatty made a good drive to deep centre which developed into a home run. He also made a startling one hand catch off a difficult fly.

Fred Wallace was umpire. The next game in the league will be on Tuesday evening when the C. C.'s and Riveters meet.

"Safety First"

Some men, sometimes, can board the flying street car or "monkey with the buzz-saw" in a mill or factory, and get away with it. But that's how accidents happen. Some men, sometimes, can shave with an open blade razor and avoid cutting themselves. But thousands agree that the chances are against it.

THE Gillette Safety Razor

was the practical forerunner of to-day's "Safety First" movement. What engineers are doing now to safeguard tools and transportation, King C. Gillette did ten years ago for that much used tool, the razor. And while he made the razor safe, he also made it keener, harder and handier than the old open blade. That thin, electrically tempered blade, gripped rigid in the adjustable holder, gives the cleanest, smoothest and quickest, as well as the safest shave man has ever enjoyed.
