

## "Salada" Tea is "Hill-Grown"

"Hill-grown" tea has the small, tender leaves—with full, rich, delicious fragrance, redolent of the spicy tropics.

# "SALADA"

Tea is grown high up on the mountains of Ceylon—with its native delicacy and fragrance held captive in the sealed lead packages.

The Scandinavians are holding a big "pow-wow" tonight, and although they all unite, each nationality celebrates with a different point of view. The Norwegians will rejoice because they have been delivered from the power of Sweden, and the Swedes rejoice because they have got rid of Norway, while the Danes will make glad because they are independent of both parties. Such fellowship among nationalities who have had their political difficulties is very commendable.
