## CLAIMS BATTLESHIPS ARE BACK NUMBER IN WAR

### GREAT COST OF PRINCE RUPERT RAILWAY TERMINALS--SOME OIL EXCITEMENT AT SQUAMISH

#### PRESBYTERIANS HAVE MADE CHOICE OF REV. H. R. GRANT

ENTHUSIASTIC GATHERING LAST NIGHT DECIDED TO CALL HIM TO BE MINISTER--WILL PREACH ON SUNDAY EVENING AS USUAL IN EMPRESS THEATRE

Rev. H. R. Grant, now supplying the Presbyterian pulpit here, was last night called to fill the vacancy caused by the departure of Rev. Mr. Kerr to New Westminster.

Mr. Grant was not a candidate for the position. The committee had written to the moderator in Vancouver not to send a man who was open for a call. Mr. Grant was therefore sent to represent the moderator and to preside at a meeting when it was expected a call would be extended to one of the other clergymen considered by the committee. No sooner had the people heard Mr. Grant, however, than it became evident that he was the right man to fill the place, and steps were once taken to induce him to have his name placed before the people, and the hearty reception accorded to him last night is only an indication of his popularity.

While Mr. Grant is one of the ablest men in the church, he will be nobly assisted by Mrs. Grant, who is also here with her husband. Mrs. Grant will easily uphold the splendid traditions of the Canadian muse, which is saying a great deal. They have three children, the oldest a girl of 14, as well as Mrs. Grant's sister, who lives with them.

Mr. Grant, of course, will not give his final answer until the case has been heard before the presbytery, but it is understood that he will accept the call.

The services on Sunday night will be held as usual in the Empress theatre, as it was felt that a move to the church would mean that many would not be able to hear him on account of the limited accommodations.

#### PRINCE RUPERT TERMINALS COST ONE AND THIRD MILLIONS

PREMIER BORDEN EXPLAINS ENORMOUS COST OF WESTERN DIVISION OF G. T. P. IN HOUSE OF COMMONS

(Special to The Daily News)  
 Ottawa, June 6.—The Grand Trunk Pacific and bill to loan the company \$16,000,000 to complete the mountain division was under discussion last night. Premier Borden, in explaining the reason for the bill, said the cost of the western division had been greater than anticipated owing to labor conditions and other difficulties. The premier stated in showing the enormous cost, that the Prince Rupert terminals alone cost \$1,325,000.

#### WANT SHIP FRESH HERRING ON ICE TO FOREIGN PORTS

APPLICATION BY SOUTHERN B. C. REPRESENTATIVES HAS NOT BEEN SANCTIONED BY DOMINION GOVERNMENT

(Special to The Daily News)  
 Ottawa, June 6.—The revision of the fisheries regulations is now under consideration here. Application has been made by British Columbia representatives to permit the export of fresh herring in small packages, limited to 200 pounds, packed in ice. The department has not yet given its consent to this request. The object is to permit shipping fresh bait from the northern ports to Seattle.

#### BRITISH ADMIRAL DISCOUNTS USE OF BATTLESHIPS IN WAR

AYS AEROPLANES AND SUBMARINES WILL DECIDE THE DAY—LONG ARTICLE IN TIMES IS FREELY DISCUSSED

London, June 6.—Rear-Admiral Sir Percy Scott states that battleships are of no further use in war. Submarines and aeroplanes will decide future naval warfare. Sir Percy has a long article in the Times, which is being freely discussed.

#### SHIPPING MACHINERY FOR BIG BRICK PLANT

Will Have Capacity of 40,000 and Be Ready in Three Months

The machinery for the Northern Brick and Tile Co. is now being shipped into the brick yard, located in Mile 87 up the Skeena. The equipment is the most modern that can be secured and includes two big 60-foot kilns now being unloaded at the G. T. P. wharf. These kilns will be put on flat cars by the wrecking crane.

The capacity of the new plant will be 40,000 brick per day, but at first it will only be operated for 25,000 per day.

In about three months it will be ready for business and can then ship in all the bricks Prince Rupert will need for some time.

Several local parties are interested in the company.

#### BOARD ACCEPTED PLANS NEW SCHOOL

New Building Will Have Eight Classrooms at Cost of \$15,000

The school board Thursday evening accepted the plans of J. E. Gilmore for the new school on Borden street. A few alterations were made. The new building will cost in the neighborhood of \$15,000. The building will have eight classrooms and be equipped with first class heating and ventilating plant. For the present the school will be used jointly as a high and public school, but later will be purely a high school.

Tenders for the new building will be called immediately, as the school is needed after the summer holidays.

#### "OUR MUTUAL GIRL"

Will Be Shown Tonight at the Westholme Theatre

Owing to the late arrival of the Princess Beatrice, it was impossible to show "Our Mutual Girl" at the Westholme theatre last night, much to the regret of a large and expectant audience. However, the rest of the program was so very good that all were satisfied in spite of this disappointment, and tonight the fourth instalment of "Our Mutual Girl" will be shown in addition to last night's program, making a very strong and attractive show. The management would like to hold this film over for Monday, but it is impossible as it has been booked ahead and must be returned on Monday's boat.

#### Entertained at Tea

Mrs. P. I. Palmer entertained her friends at tea yesterday afternoon from 4:30 to 6:30. Mrs. Tremayne and Mrs. Carss served tea and Mrs. Pillsbury attended to the ices. They were assisted by the Misses Carss, Jenns, Du Vernet, Rae, MacDonal and Saunders. The decorations were beautiful and consisted of gladiolas and lilies of the valley.

#### MORE NEW MEMBERS FOR BOARD OF TRADE

Monthly Meeting Received Good Reports Last Evening

The monthly meeting of the board of trade was held last evening in the board rooms. It was only a brief session to receive the monthly reports.

The commissioner's report told of the publicity work of the past month and made the statement that the board rooms are proving a source of convenience to visitors interested in the city and district.

The excursion committee reported on the arrangements for the Granby Bay excursion on July 15. They believe that the landing stage required for making Prince Rupert a checking in point for the around the world race will be a little expensive, but it will give good publicity to the city.

The last monthly luncheon netted \$7.50 profits. This month's is not arranged yet and may be held in the new Hotel Prince Rupert.

#### Wedding Bells

The marriage took place yesterday in Seattle of Miss Anna Rorvik of this city to Captain F. Selnes, fourth captain of the Widning & Independent Steamship company of Seattle. Miss Rorvik has lived in this city for a number of years and was very popular among the young people. She is a sister of the genial local captain of the same name, Capt. Selnes and bride will reside in Seattle.

#### EXCURSION TO GRANBY ARRANGED FOR JULY 15

Business Men's Outing Under the Auspices of Board of Trade

The completed plans for the first business men's excursion under the auspices of the board of trade, to Granby Bay and Stewart, was submitted at the regular monthly meeting of the board held last evening. A telegram has been received by Commissioner P. E. Godenrath from Ernest McGaffey, secretary of the bureau of provincial information, Victoria, accepting an invitation to be the principal speaker at luncheon on this occasion. The Prince Rupert will carry the party, which will number fully one hundred business men and their wives.

The excursion schedule will be as follows: Leave Prince Rupert at midnight Wednesday, July 15, arriving at Granby Bay at 6:30 a. m. the following morning. Five hours will be spent at that port and the excursionists will have ample opportunity to see in operation both the mine workings and big smelting plant of the Granby Consolidated Mining & Smelting Co. The steamer will leave there at 11 a. m. and luncheon will be served aboard. Leaving Observatory inlet, the Prince Rupert will go up Portland canal, arriving about 5:30 p. m. at Stewart. Here an opportunity will be given to spend two and a half hours on shore, and dinner will be served on the boat at 8 p. m. The Prince Rupert will arrive home the following morning at 7 a. m. It is also hoped to stage a concert in the evening, as there is considerable talent among the crew on the big vessel.

ADMISSION 15c

CHILDREN 10c

The round trip fare, including all meals and berths for the two nights at sea, has been placed at the low figure of \$12 for adults and half rate for children over 5 and under 12 years of age.

Since the excursion was first mooted over thirty people have given in their names to the commissioner to reserve tickets, and it is requested that those desirous of going on July 15 will advise the board at as early a date as possible. With a view to having a photographic record of the trip, the mines, smelter, etc., it is being arranged to have a representative of Gaumont's accompany the excursion. The board will also invite the mayor and council and the management of the Northern British Columbia Agricultural and Industrial association to participate.

#### PRINCE RUPERT WON FROM OLD HAZELTON

Sensational Game of Baseball Which Got the Fans All Talking

The first of the series of ball games between Old Hazelton and Prince Rupert proved a good one for the crowd—it was exciting, sensational, and had a popular ending. Today all the old time fans are talking of it, and this afternoon's game will get a big crowd.

There were several features in last night's game and one of them was a catch in right field by Wallace Anderson which saved two runs and the game. Fortin, the young Prince Rupert pitcher, played a heady game and won the admiration of the crowd. In the third innings Tobey, who is a veteran in the tactics of the game, got in a run by attempting a fake steal to third.

The game was won by Prince Rupert in the final inning. The boys, while boasting for the local club, admit they had all the luck and that the visitors show up better on form.
