I am highly leased with "Fruit-a-tives" and am shamed to have the facts published the world. When I first started. about six years ago, to use them, I took four for a dose, but I cured myself of the above troubles and gradually reduced the dose to one tablet at night. Before taking "Fruit-a-tives" I took alts and other pills but the treatment was too harsh. I thought I might as well suffer from the disease as from

Finally, I saw "Fruit-a-tives" adverfised with a letter in which someone recommended them very highly, so I tried them. The results were more than stisfactory and I have no hesitation in recommending them to any other person. They have done me a world of good. get satisfaction from them, and that is quite a lot". > The new governor, Sir Thomas Skinner, pointed out that the results whether from fur, land or stores, were not, however, altogether unfavorable. The store trade produced profits for the year of £63,758, the fur trade £55,008. The amount carried forward to the land account is £15,-928 as against £516,675 last year. Bought in and unsold land now on hand amounts to 4,091,376 acres as compared with 4,034,654 acres a year ago.
