ROAD BUILDERS PUT IN BUSY DAY

Convention of Provincial Road Superintendents is Formally Welcomed to Royal City. New Westminster, Feb. 15.—A busy day was spent in the Royal City yesterday by delegates to the British Columbia Road Superintendents' convention, ending last night in a banquet at the Hotel Russell.

The delegates were welcomed to the city yesterday morning by several of the aldermen and Engineer Blackburn of the city, arriving here on a special car at 9 o'clock. A visit was paid to the Gilley Bros. rock crushing plant, the fire hall and the Westminster bridge, and at 11:45 were conveyed by the C. P. R. to the Coquitlam colony farm, where the stock was inspected and a luncheon was served.

Returning to the city, a meeting was held in the city hall at 4 o'clock, presided over by Mr. W. W. Foster, deputy minister of public works. The convention was formally welcomed by Mayor Gray. His Worship outlined the various public works contemplated for the year in the Royal City, at the conclusion of which the chairman, on behalf of the delegates, thanked him for his hearty welcome. He complimented the city on the work already carried out and the programme outlined.

City Superintendent Furness then read a very interesting paper dealing with the surface treatment of highways. Engineer Blackman spoke at length on the city beautiful and town planning, in which much valuable information was imparted to the delegates.

At the banquet, held in the evening at the Hotel Russell, and presided over by Mayor Gray, at which some sixty guests were present, including W. W. Foster, deputy minister of public works; J. E. Griffith, public works engineer; ex-Mayor Lee, W. J. Kerr, J. H. Kilmer, Coquitlam engineer; J. McPherson, Burnaby engineer; and J. W. B. Blackman, city engineer, many toasts were proposed and the old Sappers were greatly honored.

The delegates are today in convention at Victoria. WILL UNITE IN PROTEST ON STUMPAGE ROYALTY. Lumbermen Claim Increased Fees Will Give Dominion Holders an Advantage.

New Westminster, Feb. 14.—The lumbermen of New Westminster are up in arms at the announced intention of the Provincial government to increase the stumpage royalty on timber taken from Provincial holdings from 50 to 75 per cent. per 1,000 feet board measure, with a further increase to \$1.00 in 1916.

The lumbermen contend that the bill, which was introduced in the House a few days ago and is now in the committee stage, is a direct tax against themselves without the prospect of an increase in the charge of mill products and that it will give the Dominion timber holders an unfair advantage over the Provincial men, as in the former case the 50 cent rate remains unaltered.

The lumbermen of this city will, it is understood, join hands with those of Vancouver, and a deputation will be sent to Victoria to take up the matter. VOTING ON STRIKE QUESTION ENDS. San Francisco, Feb. 12.—Two thousand linemen in California, Oregon, Washington, Nevada and a portion of Arizona have decided whether or not they shall authorize the district council of the International Union of Electrical Workers to declare a strike against the Pacific Telephone & Telegraph Company, but the result of the official canvass last night is known only to the officers of the council and will not be made public until next Saturday through the local unions. The men ask an increase in wages, which the company has met with a half way offer.

Big Cigar Merger. New York, Feb. 12.—The United Cigar Manufacturers Company, a \$25,000,000 corporation, announced today a consolidation with M. A. Gunst & Co. of San Francisco, which for several years has been distributing its product on the Pacific Coast.

BREAK BETWEEN JONES AND WOLGAST AVERTED

"Cherokee Tom" Wanted Ad. to Break Away from Murphy Match but Ad Refused. Portland, Ore., Feb. 15.—By approving the arrangements Ad. Wolgast has made for his fight with Tommy Murphy at San Francisco, Feb. 22, a break between the former champion and his manager Tom Jones, has been averted for a time at least.

After a conference following Jones' arrival from Chicago, Jones said he could see no reason for a parting of the ways. "We have never had any words of any kind," said Jones, "and while I was opposed to this Murphy fight, I expect to manage Wolgast for some time to come. I was opposed to any twenty round match for Wolgast until July 4, when a bout with Ritchie seems certain, and was also unwilling that he should fight even ten rounds until after the middle of March.

"But Ad. says he is fit for the Murphy bout, so the match is on." Wolgast put the whole matter up to Jones. BOMBARDIER WELLS TO MEET GUNBOAT SMITH. Will Do So if Date Selected is Put Back a Week to Oblige the Sailor.

San Francisco, Feb. 15.—Gunboat Smith, the local heavyweight, is offered a 10-round bout in New York, March 7 with Bombardier Wells. Jim Buckley, Smith's manager, declared it will be impossible for Smith to keep this date on account of his fight here with Jack Lester, on February 22. He has asked for a week's postponement, which he believes will be granted.

The bout will be the first one for Wells since crossing the pond for his professed cleanup of the American heavyweights. BAT NELSON SHOWS HIS OLD-TIME FORM. Tamaqua, Penn., Feb. 15.—Battling Nelson, former light-weight champion displayed much of his old-time aggressiveness when he knocked out Harry Dillon, of New York, in the last round of a scheduled ten-round bout here last night. Nelson was the master of the situation from start to finish, knocking down his opponent four times for the count of nine. He was down for the fifth time when the club physicians stopped the bout.

Tubercular Indians. Ottawa, Feb. 15.—Dr. Alfred Thompson, member for the Yukon, has asked the government to take steps to segregate all the Indians in the Yukon who are tubercular. Official reports say that from 4 to 10 per cent. of the Indians in the Yukon are suffering from consumption, and it is believed that if these were separated from the other Indians and from the whites improved conditions would result.

Beating the High Cost of Living. An artist who passed a great part of his life in the Latin quarter tells of the frugality of a Frenchman who lived on a pension of five francs a week, involving a curious system, which the Frenchman thus explained: "Eet es simple, voire simple! Sunday I go to ze house of a good friend, and zere I dine so extraordinaire and eat so much I need no more till Wednesday. On zat day I have at my restaurant one large, voire large dish of tripe and some onion. I abhor ze tripe, yes, and ze onion also, and together zey make me so ill as I have no more appetite till Sunday. Eet es voire simple!" —Tit-Bit.
